As citizens of the United States of America are celebrating the country's two-hundredth birthday, the *Valhalla* staff has attempted to put together a book of life as it was at Fort Walton Beach High School. In keeping with the national Bicentennial themes of Heritage '76, Horizon '76, and Festival '76, we have viewed all the parts of the school in these perspectives. As part of our heritage, the influential

past, we included our faculty and community. As part of our horizon, the present and the future, we saw our classmates and fellow students. As part of the festival, the participation in school as it is to us now, we included extracurricular activities, both clubs and sports. We hope that these reminiscences will keep Fort Walton Beach High School in the 1975-76 school year alive in each student's memory.

Ready Smile

Timid sophomores and new students were put at ease at the start of the year by a tall man with a very warm smile. This man was, of course, our principal, Mr. C. F. Reynolds. With his ready smile and kind understanding, he has captured the hearts of us all, students and teachers alike.

Although Mr. Reynolds was faced with the many problems and responsibilities that go along with being one of the best principals in Okaloosa County, he still had time for individual students and their problems. Of course there was more to the 75-76 year than just problems. Mr. Reynolds was present at such happy occasions as the unveiling of the class of 1976 memorial in Memorial Stadium, and graduation as the senior class tearfully said goodbye to their beloved principal. Mr. C. F. Reynolds helped this to be a good year for all by doing the best job possible.

Busy with paper work and other routine tasks, Mr. Reynolds coordinates all school activities.

Mr. Reynolds enjoys playing football at home with his son, as well as cheering on the Vikings.

Cleaning up after the hurricane, Mr. Reynolds cuts down a tree.

An interested father Mr. Reynolds praises his daughter for her school work.

Mr. Reynolds relaxes at home with his family after a demanding day at school.

Leadership

Without the assistance of Mr. May and Mr. Prine the day of a student at Fort Walton Beach High School would often have been total confusion. As a result of Mr. May's activities, schedules were arranged and rearranged, grades were transferred to report cards and students who had forgotten their locker combinations had their memories jogged. Mr. Prine served as a Junior Class sponsor and conferred with those students who had problems in any class. These men were great help to everyone as they handled such jobs that keep our school running smoothly.

Although students often took our administration for granted, our school could not have gotten along without them and their fine work.

Busy organizing schedules and grades, Mr. May's desk is his base of operations.

Mr. Prine keeps the junior class attendance office running smoothly.

At home Mr. Prine takes an interest in his daughter's school work.

With his wife and children, Mr. Prine enjoys a happy family life.

Boating occupies much of Mr. May's leisure time.

Concerned Help

As many faculty and administrative personnel were assigned new tasks to perform, so were Mr. Johnny Leonard and Mrs. Johnne Merchant. Mr. Leonard is now the tenth grade advisor. Besides performing her duties of past years, Mrs. Merchant is also in charge of the senior class this year.

Students knew that they could find Mr. Leonard and Mrs. Merchant in their respective offices this year to help with any need that they as individuals might have. Students and their activities were given their aid and support whenever needed.

Both administrators served as a necessary part of our school and showed concern in student related affairs.

Mrs. Merchant takes a moment from her busy schedule to plan.

Mr. Leonard spends time at home with his family after working a long, hard day at school.

Office work keeps Mr. Leonard busy.

Mrs. Merchant, when not at school, takes time out to spend with her family and pet.

Involvement with Students

An important part in the smooth running of FWBHS was the expert personnel that made up the guidance staff. They were able to offer advice to any member of the student body with a problem.

Seniors turned to the guidance staff many times during the year seeking help concerning optional testing,

vocational training, financial aid, and college choice, all of which would be vital to their future.

Guidance members put in countless hours of time and effort while straightening out student schedules so that everyone had the correct number of credits when the end of the year came.

Constant Service and Loyalty

In the office, the secretaries and bookkeeper once again contributed valuable services that were greatly appreciated by the entire school. Mrs. Gwen Rogers, Mrs. Joyce West, and Mrs. Margaret Truax left their typewriters on many occasions to help both students and teachers.

It was Mrs. Joyce McCollough, our faithful bookkeeper, who kept the school's financial records in order. As an extra added kindness, she put in numerous hours after school handling large amounts of money collected by school clubs and organizations.

Keeping It Together

The custodians were three of the most indispensable men at FWBHS. Everytime the classroom temperature shot up to one-hundred degrees or the rain found its way inside the building, the whole school turned to them.

Students and teachers alike appreciate the work of the entire custodial staff. With their giant brooms and vacuum cleaners, the custodians helped to make FWBHS a source of pride for Vikings everywhere.

Survival

Ravenous appetites were satisfied daily by the ladies that worked in the lunchroom. They worked hard to prepare delicious and nutritious meals for the entire student body.

Whether you were a french fries freak or a meat and potatoes lover, your taste buds were sure to be satisfied with the a la carte or standard lunches provided to soothe the growling stomachs of everyone.

We love our lunch ladies!

Everyone's favorite — chocolate chip cookies.

Robin enjoys another delicious lunch.

Creative Expressions

The sight of students busily working on fragile pottery or delicate water colors was part of the daily scene as a full year for the Art Department in 1975-76 started out in full swing. A new course called Photographic Silkscreening was offered to students interested in exploring a new area in the field of art.

The major project involving art students was the design and construction of sets for "Oklahoma." The many hours of dedicated work combined the talented efforts of all Art Department members to make the play a success.

Students selected for the Gifted Art Program once again carried their paintbrushes and charcoals to a group meeting once a week. Individuals received instruction that was unavailable in their regular classes.

As always, students had the chance to dabble in the traditional areas of art that included ceramics, inks, papier-mache, and other areas of the media. The combined efforts of the art instructors made the Art Department an enjoyable place to be for everyone.

Driving Preview and Practice

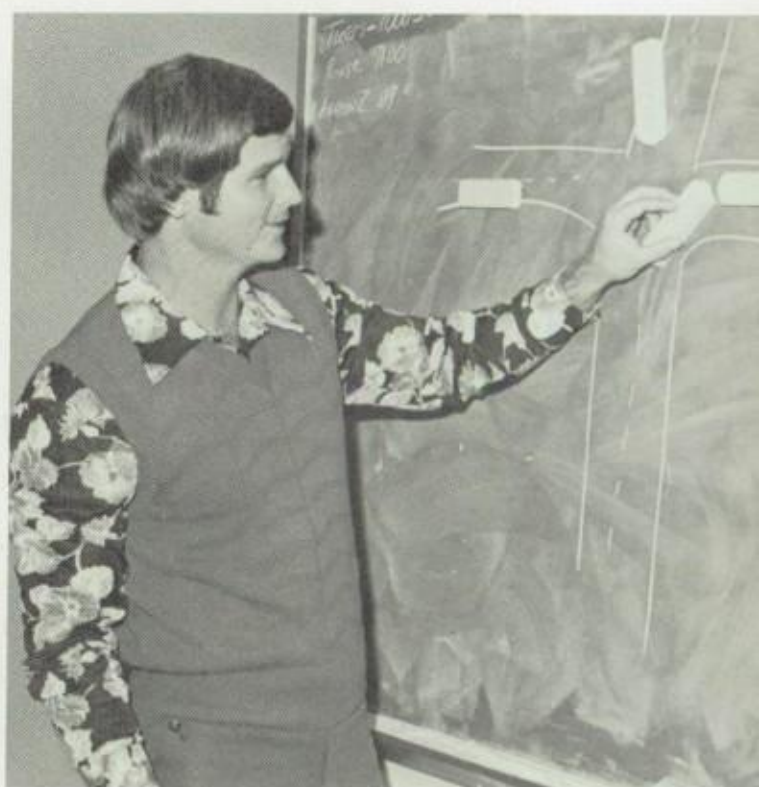

Picture yourself — you're driving down a country road at dusk, and just as you round a curve, you find yourself about to hit another car which has somehow moved into your lane. What do you do? The answer to this and many similar questions was found in the Driver's Education Department.

Besides learning how to do a side-street-turnaround, and how to parallel park, students learned how to drive defensively and how to react in critical situations. This was accomplished through studying in classroom, viewing filmstrips such

as "Mechanized Death," and perhaps the greatest teacher of all time, personal experience.

A police officer visited the classes and explained, among other things, how the breath analyzer test works, and what to do if a policeman pulls you over.

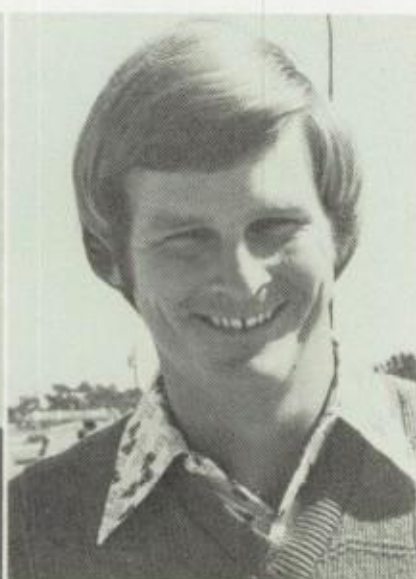

Though students often left the drivers range with frustration creasing their brows, everything came together and was made worth the effort when certificates were handed out at the end of the semester.

Better Business Training

This year students involved in the Business Education Department were kept very busy learning everything from the keys on a typewriter to the basic fundamentals of Business Law. Courses in typing and shorthand were offered to those people interested in developing their secretarial skills, as well as clerical courses which included bookkeeping and business math. And there was a personal typing class for students who just wanted to learn how to type for their own use.

One of the goals of the instructors was to teach students to have personal satisfaction and pride in a job

well done. They attempted to achieve this goal with the teaching of business skills in a variety of ways.

Vocational Office Education classes were beneficial to all this year. While learning office practices, VOE students helped different departments and clubs in our school by typing and printing memorandums and club letters. A business like atmosphere prevailed throughout the year by the VOE classes' participation in such office activities as coffee breaks and board meetings. The Business Education Department provided a variety of courses to meet many needs.

Something for Everybody

The addition of new taping equipment offered Mass Media students an opportunity to see their class projects come to life before their eyes. Students also enjoyed the unique privilege of watching television on a new set acquired during the summer by the English Department.

Grammar once again proved to be a challenge to any student with enough courage to venture into its territory. But at the end of the year, any student who had dared to do the impossible looked back with pride on his accomplishments and gave a slight sigh of relief that he had come out of it alive.

Students in other areas of the English Department kept busy also. This year students in Contest Speaking traveled to New Orleans at the beginning of the year to take part in a contest there that proved to be just one of many. American Lit students received advice from Henry David Thoreau on how to practice the art of civil disobedience. Meanwhile, comma faults, misspellings, and other "taboos" continued to plague Comp II students.

Translation and Frustration

Have you ever stopped to think and realized that every time you carry on a conversation, you're speaking a foreign language?

Along with the three languages that have been taught in the Foreign Language Dept., a new "foreign" language appeared on the horizon. It was English. Though it is extremely familiar to most, it was foreign to our new Vietnamese students. Many of them met with the same difficulties with the English language that the French, German, and Spanish students encountered in their studies.

The motto, "The limits of my language are the limits of my world," could be found on the walls of every foreign language classroom in the school. This aptly expressed the philosophy of the department.

New Outlooks

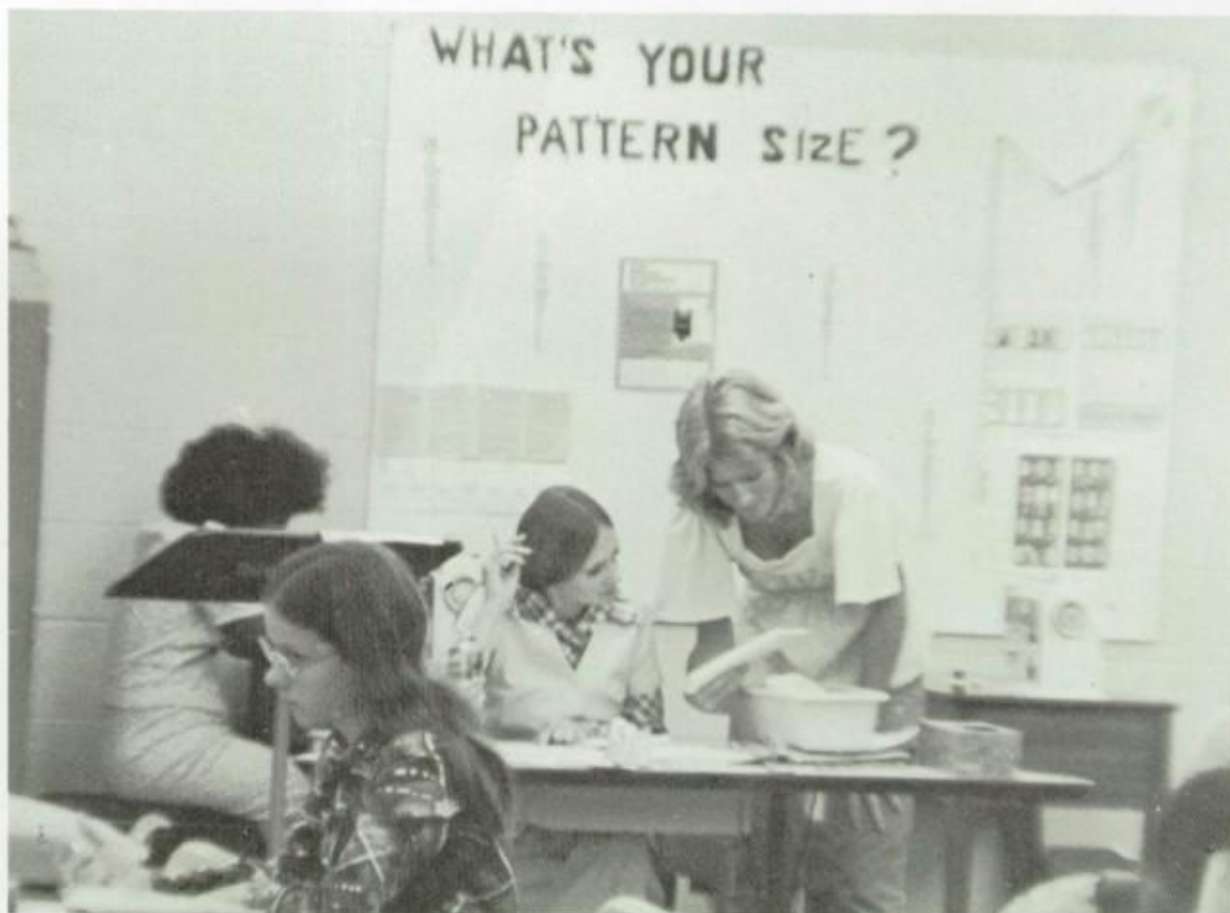

Everybody loves Home Economics. This year was no different than any other in that respect. Students, male and female, learned how to cook, sew, take care of children, and decorate their homes. Although sometimes the pastries were a little too brown, and the shirt sleeves uneven, students had fun making them that way.

There was also a serious side to the Home Economics Department as people learned how to relate to themselves and others in Human Relations, and later learned the complexities of married life in Marriage and Family Living.

The Home Economics Department teachers attempted to impress upon students the need for personal values, goals, and standards for better physical, mental, and emotional growth.

Practical Arts

Would you rather have been tuning up a car engine or learning to build a radio than sitting in a class? If so, the Industrial Arts Department was the place for you.

The Industrial Arts Department gave students first-hand experience with the types of work involved in a wide range of occupations. Many students learned for the first time how to handle tools and machinery.

A change made this year was that more emphasis was placed on the development of individual skills of each student.

A new course which was offered was Pre-Technical Drafting. This course helped students prepare for Vocational Drafting.

Specialized Programs

Hidden in the corners of the minds of many students is the dream of earning a diploma without attending school. For many seniors this year that dream finally became a reality. After completing scholastic requirements, twelfth grade students enrolled in the Job Entry program earned graduation credits by working in approved jobs.

This year a new office was set up that made career information available to both students and teachers. A new microfilm reader and extensive files enabled students to research various job opportunities in the city.

The skills students learned in various businesses will serve as valuable experience when they leave school to take their place in the competitive world of work.

Despite a few near disasters, such as a steak that might have been allowed to become slightly overdone, the Job Entry program was a success. Students will have the benefit of training and responsibility that will help them carve a path in the direction they want their lives to take in the future.

Source of Knowledge

The school library is an integral part of any teaching-learning program and Fort Walton Beach High School's is definitely one of the best. The library's aim and function was one of service, and it provided that with books, films, records, magazines, and other audio-visual aids.

While the librarians were helping the entire student body, they also taught those students participating in the Library Science program how to help in the operation and maintenance of the library with good on-the-job work experience. This train-

ing helped the students by teaching them good researching skills. These students operated the check-out desk, helped students find materials for which they were searching, and helped to keep the card catalog up to date, along with other responsibilities. Besides being used for studying purposes, the library was also used to display creations of the various classes. The humanities classes made tribal masks which they exhibited for the student body to see. There was also the art show which was set up in the library for all to view. Most students found uses for the library.

Straight Superior Ratings

A touch of Broadway was brought to the stage of Fort Walton Beach High School as the Choral Department tried something new this year in the production of the musical "Oklahoma." It was widely enjoyed by everyone as evidenced by the sound of feet lightly tapping on the auditorium floor. This however, was not the only accomplishment of the year. New students in band and chorus learned that achieving those beautiful sounds they listened to as spectators did not come as easily as it seemed. Many hours of practice, during school and after, went into attaining the award winning excellence for which the Music Department is known.

While music students were not practicing, they were busy participating in state and district contests, concerts, and money making projects.

This year the Music Department was enlightening to all and helped to promote an appreciation of the arts.

Language of Symbols

Addition, subtraction, multiplication, and division — besides these basic skills, math students learned how to solve complicated geometric proofs, how to logically look at problems and reason them out, and how to apply what they learned in class to situations they may encounter in everyday life. The mathematics program offered two new courses to the student body. They were Enriched Algebra 2 and Selected Math Topics, which were offered to pro-

vide more depth into the study of mathematics for those students who find math interesting. As in the past, a variety of courses were provided to satisfy the different interests and abilities of each student. Among them were general math, geometry, and trigonometry.

As in years past, students felt the thrill of success when the answer of their page matched the one in the back of the book.

Versatile Courses

Bodies of assorted shapes and sizes bounced, putted and flew through the air during the wide range of classes offered by the Physical Education Department. Whether your thing was playing Robin Hood or practicing to be the Olga Korbut of tomorrow, the P.E. Department had something for each individual talent.

Many students found their classes to be a welcome change in the daily routine, where they could lazily swat at a badminton birdie, or receive a vigorous workout on the trampoline.

As always, the P.E. instructors were there to give individual assistance when needed. Whether problems were large or small, the teacher was there to assist with textbooks and by example.

Future Leaders

The sound of marching feet echoed through the streets of town as ROTC students representing FWBHS participated in the Annual Shriner's Parade. Again this year, as in the past, the students were under the careful guidance of Col. Keefe and Sgt. Kelly. It was through their directions that students hoped to achieve their goals.

The main purpose of the ROTC Department in school was to prepare young citizens to assume the responsibilities of leadership and service to the country. It was with this preparation that ROTC students planned to go into the world ready to take on any task that comes their way. A new course in Leadership and Human Relations was offered to ROTC cadets to help them achieve their goals. The year was highlighted by a trip to Cape Canaveral where students had an opportunity to view the facilities so vital in this country's recent past.

Special Needs

The Special Education Department adapted the methods and materials of instruction to meet the specific needs of each student. The academic phase of the curriculum was functional and practical and related to real life situations.

Teachers in this department were confident that through this program students will be better equipped to venture into the field of their choice.

Observation

Science meant involvement and experimentation to students this year. Although there were the usual written assignments, students became caught up in a learning experience by "doing." Classes did everything from observing the sex life of a flower to making sodium chloride. Varied courses were offered, such as biology, chemistry, and anatomy.

Two interesting things in the Science Department were the greenhouse and the animal preserve where hamsters, mice, baby chicks, and a sizable boa constrictor were kept for experimentation and observation.

Instructors in the Science Department set a goal of instilling in their students a desire to develop a "spirit of inquiry" and a scientific attitude.

Challenges for Tomorrow

When students first entered their classes on the first day, many felt as if they had taken a wrong turn and walked into the office. This feeling held true in the Social Studies Department since the administrative staff and guidance counselors took on classroom duties, as a result of economy measures throughout the county.

The study of man's accomplishments in the past and present gave students a foreshadowing of what the world will be like in the future. The Middle East Crisis became more

than just a meaningless problem in foreign affairs to CPS classes. Films and extensive notes helped to give students a clearer view of the effects the war in the Middle East has had throughout the world. Behavioral science and psychology students came to have a clearer understanding of themselves and their environment.

The knowledge students gained in Social Studies will benefit them throughout their lives in anything they choose to do.

A school yearbook is a book of memories to be opened in years ahead to recall the good times you had while a student. Times will change . . . hair will go short . . . or go long . . . blue jeans may pass . . . and skirts may become "in" again . . . music will change and future generations may dance to another beat or a beat from another time. As years pass, memories fade as to WHAT was WHAT during which year. To help you preserve some memories, we have chosen to use our advertising space to help you in putting your year in perspective for future years. IF YOU DON'T KNOW WHY CONTINUING YOUR EDUCATION IS A GOOD IDEA, MAYBE YOU HAVEN'T BEEN LOOKING FOR A JOB LATELY.

The Air Force knows the more schooling you have, the more valuable you are to an employer, whether he's hiring for new jobs, or considering promotions.

The Air Force also is aware of the high costs and the sometimes difficult entrance exams required to continue your education. So we created the Community College of the Air Force in 1972. An opportunity for all men and women enrolled in the Air Force to continue their education. Free. We offer over 80 curriculum majors in specialized fields. And for those who wish to continue their academic studies further, we can pay up to 75% of the tuition at an accredited college or university while you're in the Air Force.

The Air Force recognizes that not everyone is interested in an academic career, so we offer training and practical experience in over 250 different career-oriented vocations. They work well. In or out of the service.

Graduate to the Air Force. And use us to get a headstart on your own career.

Contact your local Air Force representative for more details. Whether you're interested in meteorology or metalworking, carpentry, computers, or communications, he's got something for your future.

Community Life

An important part of our heritage is our community and its support of our school's activities. We appreciate what the community contributes to us. Their backing makes us proud to be a part of Fort Walton Beach.

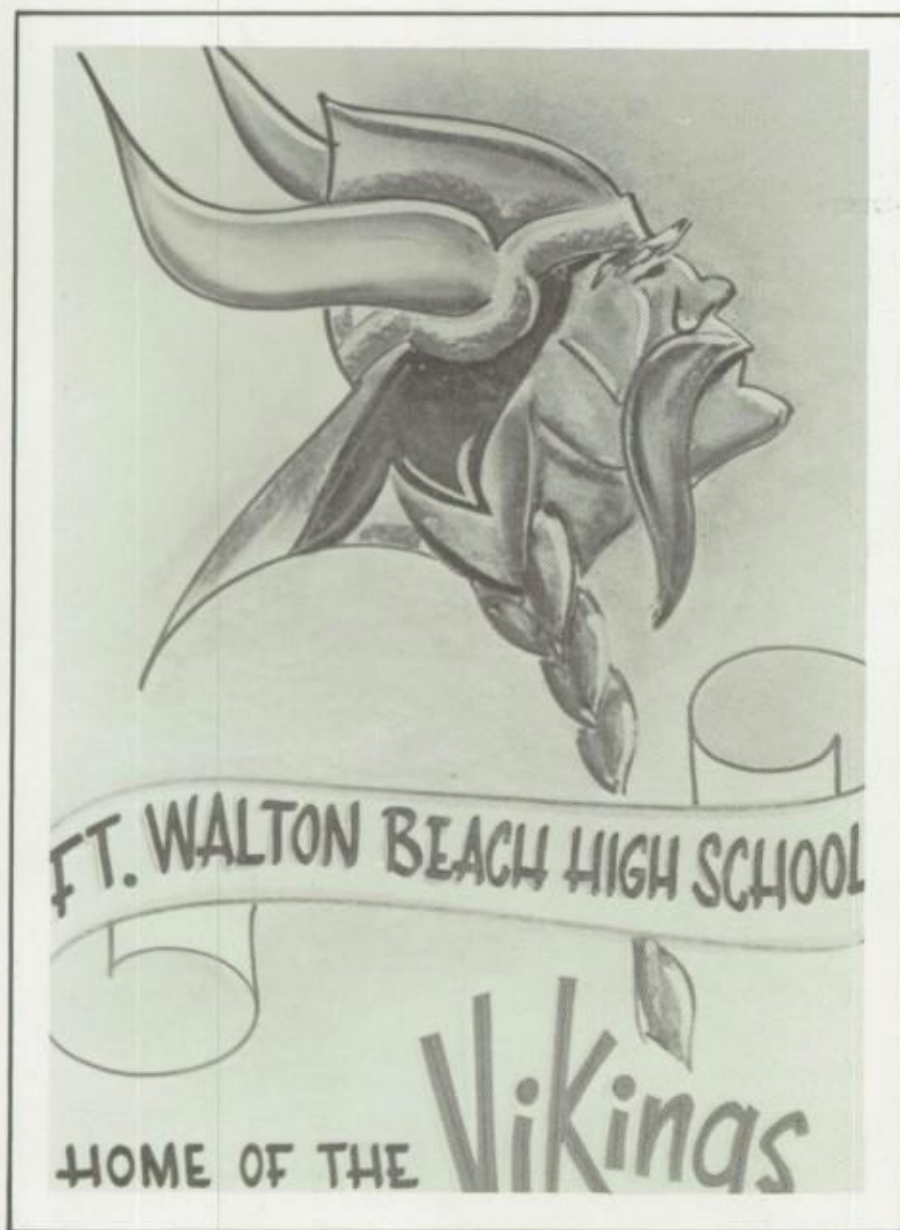

A sweater represents Viking pride.

At the annual teacher appreciation coffee sponsored by the F.W.B. Chamber of Commerce, Chamber president Don Anchors talks with county personnel.

Fort Walton Beach played its role in history.

To its residents, F.W.B. will always be number 1.

Superintendent Max Bruner, Jr. discusses county plans with teachers at the C of C coffee.

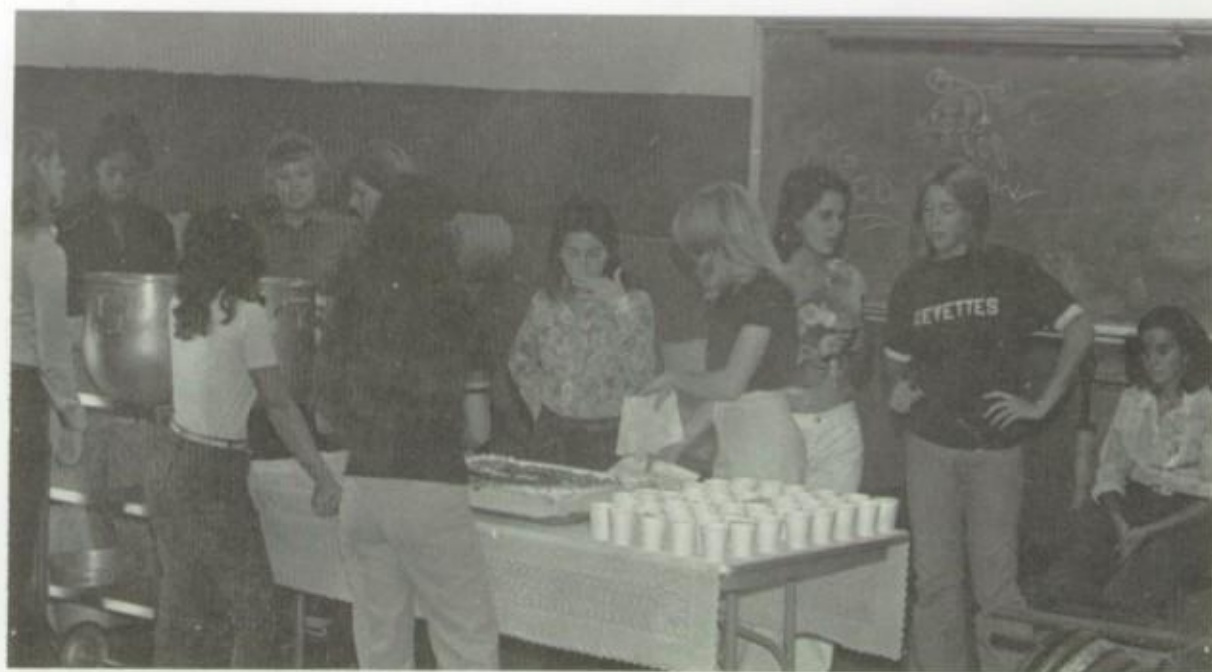

HORIZONS

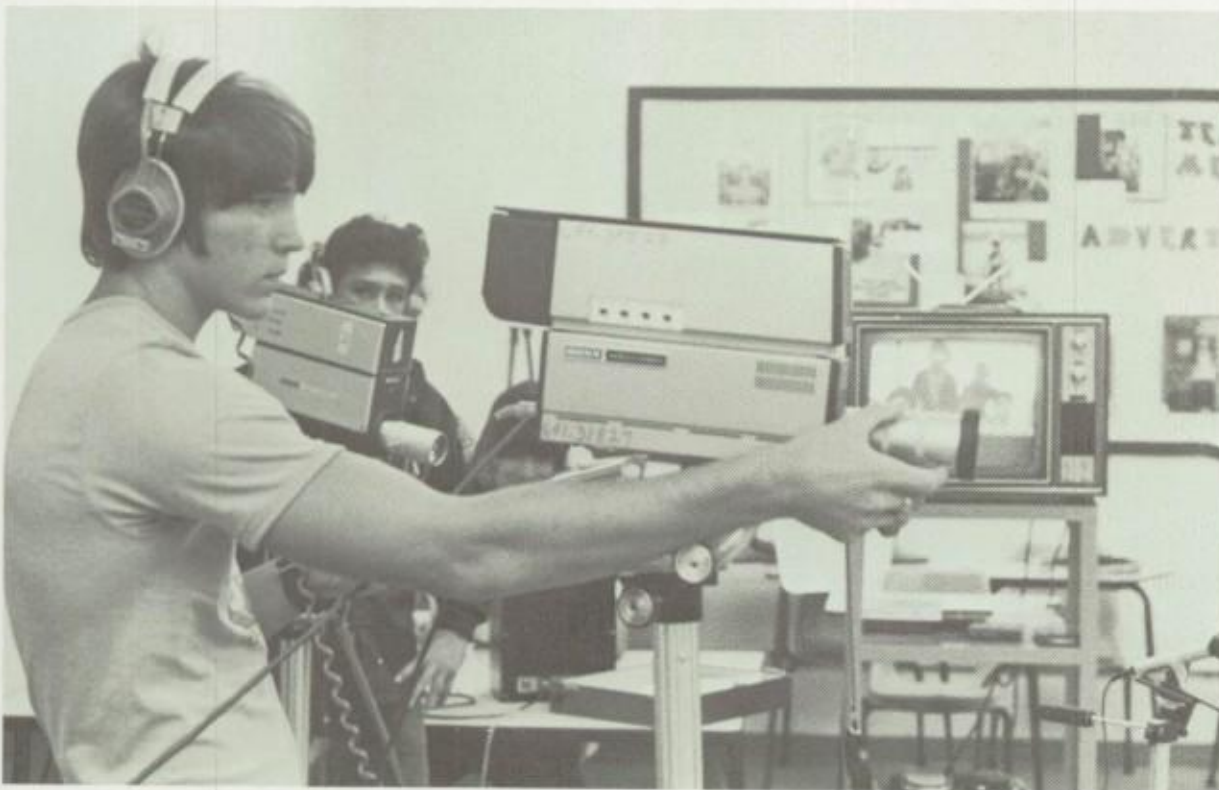

Involvement

Forward was the direction at F.W.B.H.S. as students revived conservative attitudes, cut their hair, lengthened their dresses and revitalized interests in activities. Involvement as a Viking was a way of showing one's individualism. Involvement was a part of life.

Fashion Scene of '76

In clothing almost anything goes, and the get-up can be keyed to the student's personality. In this age of controversial styles, of uniqueness, of individualism, it is apparent that clothes and fashion have become symbols of each and every person. Perhaps in dress and mannerisms each person can establish a mood, place, and existence alone, in a world of many. Knee length dresses, fancy socks, jeans, and even the overalls the men used to wear on the job, the guy or gal on the campus may wear now.

Powder Puff Football

The yearly Powder Puff Football game, sponsored by Youth in Government, provided entertainment and a different kind of football team. Teams were formed in late December, and practices were begun. The Blue Team was captained by Adair White and was coached by Keith Cotton, Scott West, and Mike Day. The White Team's captain was Marcie Wyatt, and the coaches were Ed Bowling and Paul Badali. Each team had approximately 18 players for offense and defense.

The game was held on January 30. A small crowd was entertained for an hour and a half and Marcie Wyatt's team went away with a 20-0 victory over the Blue.

Disco-Dance

Have you ever been to a disco dance — a real disco dance? Everyone laughed after hearing J. J. Allison's morning announcements, but the laugh was on those who did not go to the dance. With help from Gabby Bruce and J. B. McFadden in the setting up of the sound system and special effects, the night was an overall success. Gabby Bruce commented that he had always wanted to do a dance at FWBHS and that the atmosphere was so much friendlier then at any other school. The highlight of the evening was the crowning of the Valentine Sweetheart and the presentation of the Super Viking. All awards were presented by the band captain, Jay Farland.

Oklahoma

When the public heard that the FWBHS Music Department was planning to present the musical "Oklahoma" in January, many said it could not be done. After the event was all over, though, the only comments made were those full of praise. There were sets to be constructed and painted, costumes to be made, lines to be memorized, and music to be learned. Many of the props were precious heirlooms loaned by the generous families and friends of the choral students. Members of the Art Club designed sets with a professional touch.

There were hundreds of major and minor details which momentarily halted the progress of the production, but they were all surmounted and the show went on. From opening night through the Sunday matinee, the audiences were captivated by the professional performances given by the students.

'76 Jr. Miss

Twelve students from FWBHS entered the 1976 Fort Walton Beach Junior Miss Pageant. They were: Mary Wenzel, Deby Kissam, Cheryl Everitt, Denise Hudgens, Debbie Goldston, Kelly Womble, Inez Butler, Karen Hanson, Julie Barfield, Lila Cartledge, Darlene Stiles, and Leesa Perkins. Along with girls from Chotaw they were judged on fitness, poise and creative arts. The only winner from FWBHS was Mary Wenzel who was elected Miss Congeniality.

Homecoming Queen Julie Beurlein

Homecoming is a tradition in itself with contestants, alumni, spirit, football, laughter and tears. All of these played a part in the 1975 homecoming. Julie Beuerlein, chosen by her fellow students, was to reign for the year. Senior class representative was Mary Wenzel. The Juniors elected Cindy Shirley as their representative in the Queen's Court, while the sophomore class chose Susan Wright.

FIRST ROW: Debi Kissam, Cathy Partridge, Donna Toole, Darlene Stiles, Cathi Fowler, Agnes Frazier, Angie Hearl, Mary Wenzel.

SECOND ROW: Sara Birnkammer, Donna Jarvis, Susan Wright, Cindy Shirley, Emily

Richards, Paula Peterson, Alison Tyson, Pam Silver, Jackie Metrogen, Angie Barnes.

What would Homecoming be without the alumni?

Susan Wright — Sophomore attendant escorted by her father, Mr. William E. Wright.

Angie Barnes Miss F.W.B.H.S.

Sixteen girls from a group of twenty-five entrants appeared on February 21, in the Miss F.W.B.H.S. pageant sponsored by the Junior class. Each girl was judged on talent, personality, fitness and beauty. Finalists displayed talents which impressed the audience as well as the judges. All winners seemed to be favorites of the audience.

Steve Prescott Mr. Striking Viking

"Surf City U.S.A." was the theme as the 1976 contestants competed in the Mr. Striking Viking Contest. Twelve young men, each representing various clubs, appeared on February 12, in the contest sponsored by the Keyettes. Besides modeling casual wear, the participants exhibited numerous talents, some serious and some a bit strange. The crowd roared with laughter upon seeing Cher and Edith Ann but became very solemn when the singing and more serious talents were performed. Judging from the response of the audience, the Mr. Striking Viking Contest was a huge success.

Winners of Striking Viking Contest are given a hand. Steve Prescott, number three, was Mr. Striking Viking.

Class of '76

Spirit and enthusiasm symbolized the members of the senior class. All through high school they were proud to be the Class of '76, but their last year had special significance. The nation's 200th birthday and their graduation were less than two months apart. While the country was remembering how much America had done, the seniors were recalling all that Fort Walton Beach High School had accomplished. This year alone, their class produced a first place Homecoming float, erected a Viking monument in Memorial Stadium, and led the school in sportsmanship and pride. Graduation climaxed a year filled with the "Spirit of '76."

Officers of the senior class were Rory Joy, President; Angie Hearl, Secretary-Treasurer; and Joe Rayborn, Vice-president.

'76 Valkyries

In Norse Mythology, Valkyries were Maidens who conducted worthy heroes to Valhalla. As a result of student election the sixteen girls on these pages were chosen to represent Fort Walton Beach High School and its Viking tradition.

As high school ends and a new life begins, the seniors find themselves face to face with an uncertain future. Looking back they recall many times spent with their friends and classmates. Some were good; some were bad, but all will be long remembered. It was a year of exploration and discovery and was marked by senior contributions and achievements. The class was one of unity, and the students found themselves leaning on one another for moral support and guidance in times of indecision. Their lives were molded as they prepared for the future, and, true to form, they gained much valuable knowledge through experience. As the year drew to a close, they discovered that they had finally grown up, and as they tried to step smoothly into the pace of life the Class of 76 became a memory.

Class of '77

Faced with new and bigger responsibilities, 641 high school students entered their junior year.

Upon this return the class of '77 became immediately involved in various school projects. A very artistic homecoming float and the most successful magazine sale yet were some of the junior class activities. The class of '77 also raised funds to sponsor the yearly Miss Fort Walton Beach High School Pageant and an excellent Junior-Senior Prom.

Serious thinking about college prompted juniors to take PSAT and National Merit Tests. The Career Night offered the students a chance to examine college entrance requirements and course offerings.

Officers of the junior class were Ted Laughlin, Vice-president; Sylvia Clayton, President, and Robin Prestwood, Secretary-Treasurer.

Class of '78

Although some were timid at first, the members of the Class of '78 soon felt at home in the halls of FWBHS. They began the year with plans for the 1975 Homecoming. Much hard work was done by many sophomores and their sponsors. Their work was rewarded by a spirited Homecoming Week.

However, they did not stop there. The Sophomore Class went on to participate in the Cyclethon and Veteran's Day Parade and to conduct canned goods drives for needy people in the community.

The Class of '78 showed their spirit by frequently winning the Spirit Stick at pep rallies and supporting the football team at all games.

Officers of the Sophomore Class were: Donna Jarvis, President; Mike Weiss, Vice-President; and Arlene Bailey, Secretary-Treasurer.

'75-'76 Football Team Captains and Seniors

Cliff Lewis

For the second time in two years Cliff Lewis was selected as one of the team captains for the year.

"It feels good to be selected as one of the team captains," says Cliff Lewis, "especially when your own teammates vote on it."

Cliff Lewis familiarized himself with each team by watching films and attending team meetings. The result was apparently successful as Cliff finished with a total of 81 initial hits, 41 assists, and he also caused three fumbles.

Tim Taylor studies his assignment on a defensive play.

Cliff Lewis spends extra time watching films.

Besides football, Cliff Lewis likes to play basketball and to jog. He plans to keep playing football next year as he signed a four year scholarship with Georgia Tech.

Tim Taylor

Tim Taylor was selected as the other team captain of the year for his outstanding performance on defense.

"It's really great to be chosen for the honor of team captain by your own teammates," Tim stated. Hard work paid off for Tim as he finished the season with 47 initial hits and 48 as-

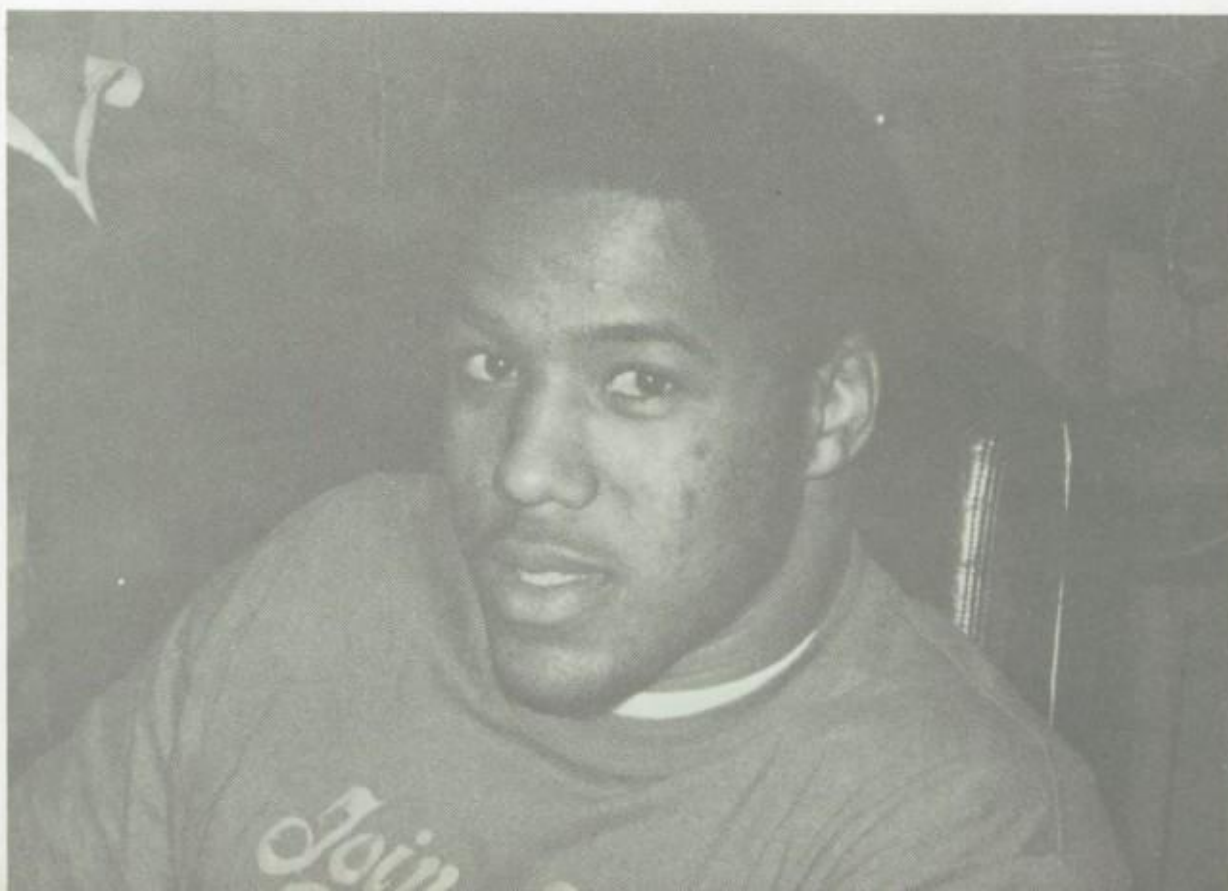

sists; he recovered two fumbles and caused another.

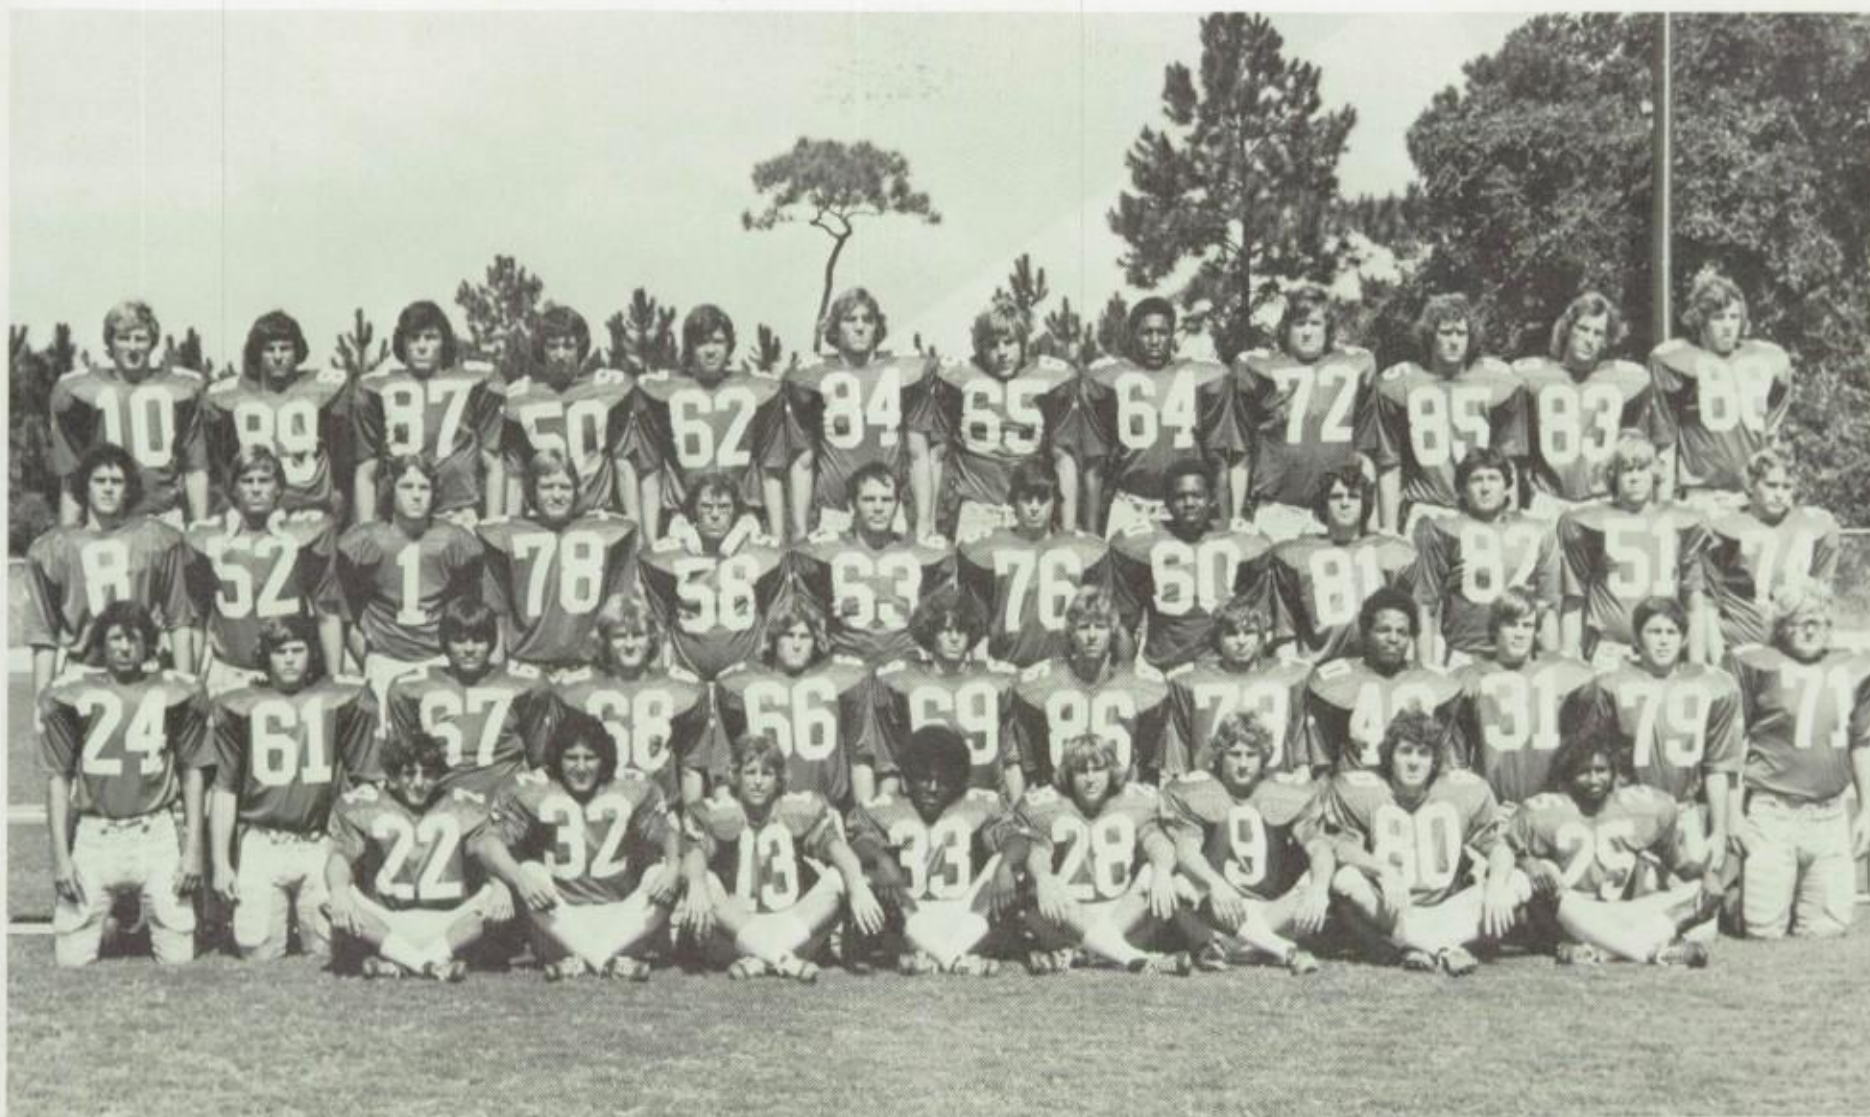

Tim Taylor also participated on the varsity basketball and track teams. Future plans for Tim include playing football for Nichols State where he received a four year scholarship.

Disaster . . .

The 1975 football season started on a sour note for the Vikings as they were stunned 28-0 by no.-1 ranked Tallahassee Leon. The opening game loss was the first in five years and ended a Viking streak of 41 games of not being shutout.

The second quarter proved to be a defensive stanza as neither team mustered offense. The final score of the half came when a Lion defender picked up a Viking fumble and raced 26 yards untouched to give Leon a 14-0 halftime lead.

Leon put the game out of reach in the third quarter picking the Viking defense apart with a series of short passes that ended in another touchdown as Leon led 21-0.

Comeback efforts by the Viking were stopped by a tough Leon defense and another Lion interception led to the final score of the game as Leon won 28-0.

Revenge . . .

In a game played to near perfection, the Vikings avenged their loss to Leon by destroying Escambia High School 43-0.

Fort Walton had a chance to score early in the first quarter after recovering a Raider fumble on the kickoff, but the drive stalled when a McDaniel pass on fourth and four fell incomplete. With one minute left in the first quarter Scott Groat out ran the Raiders to make it 6-0.

The Vikings made it 12-0 on a 33 yard McDaniel bullet to Steve Hausler. The final score of the half came as Scott Tudor booted a 30 yard field goal to make it 15-0.

Scott Groat scored the only touchdown of the third quarter. The two point conversion was good to make it 23-0.

Nat Wanamaker scored from ten yards out while Scott Allen connected on a 45 yard lob to Ken Rogers. Allen then hit Steve Hausler for his second touchdown pass of the night to make it 43-0.

Scott Tudor kicks another extra point.

Ken Rogers fights his way toward the end zone.

Vikings Continue to Dominate

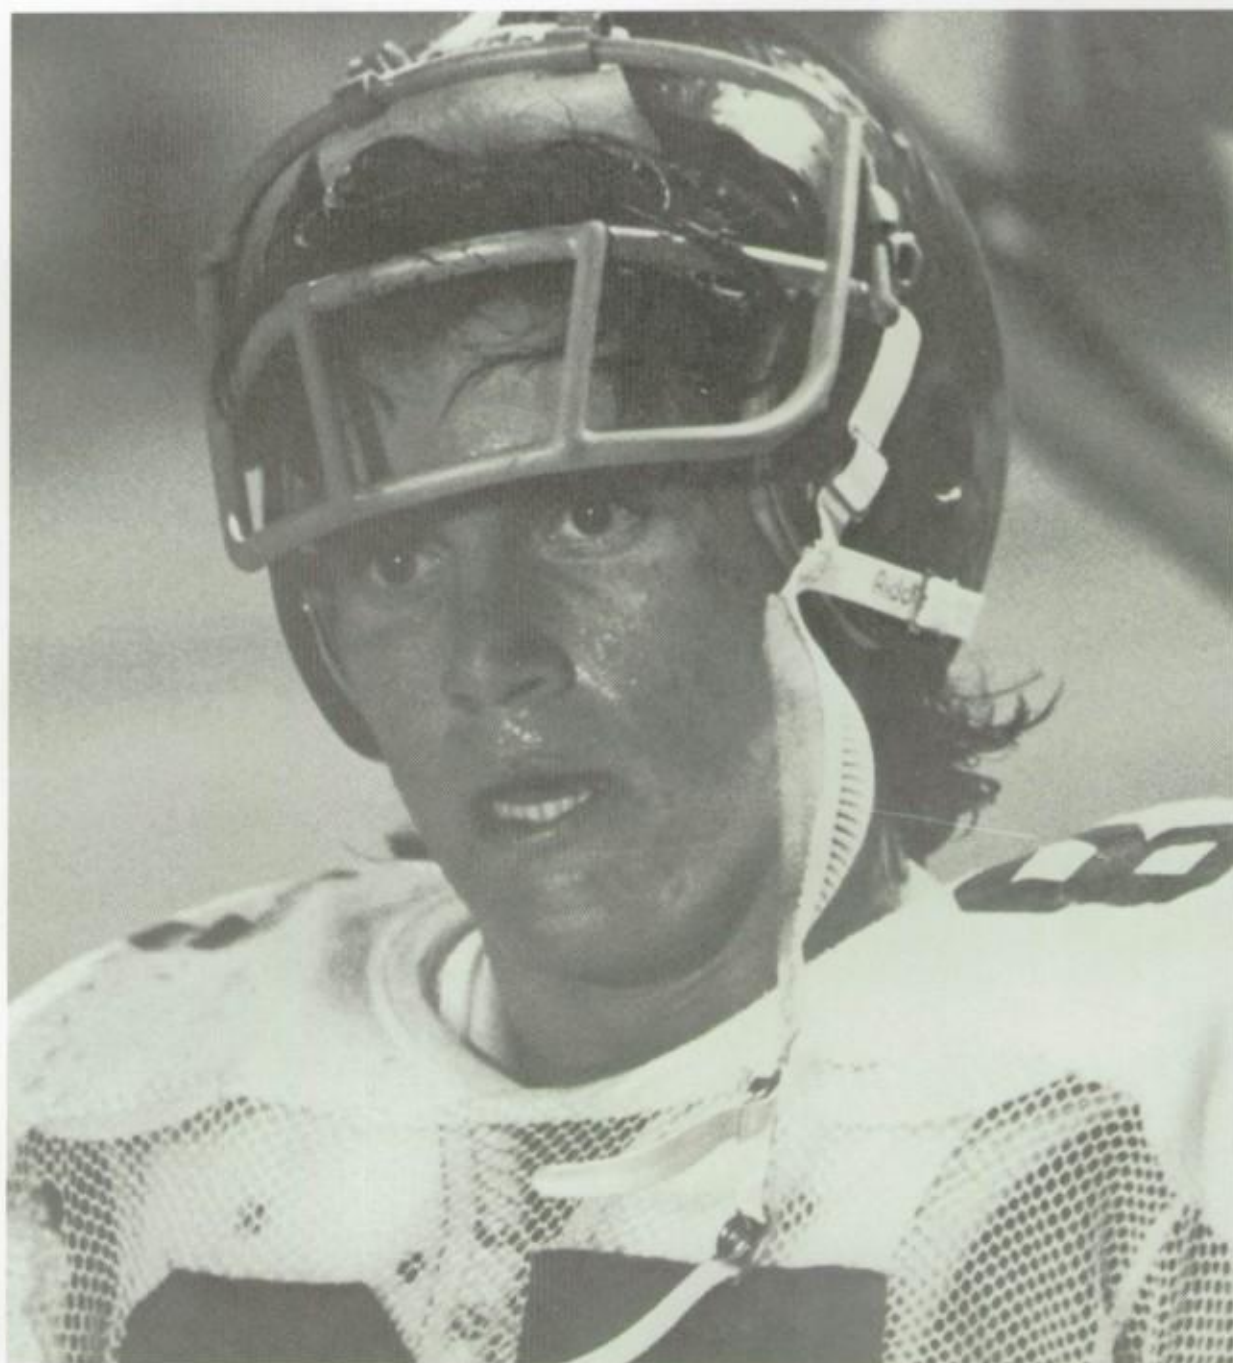

Domination was the name of the game, at least for the Vikings, as they rolled over the hapless Woodham Titans 40-0.

Fort Walton Beach wasted no time in marching 60 yards on their first possession capped by McDaniel's four yard TD keeper. Scott Tudor kicked the extra point to give FWB a 7-0 first quarter lead.

A strong Viking defense stopped Woodham without a first down in the second quarter while Steve Hausler caught a McDaniel pass for the second touchdown of the night. Willie Salter raced 53 yards with an intercepted pass for a touchdown to give Fort Walton a 21-0 halftime lead.

Scott Groat scored from three yards out to open the third quarter scoring while Steve Hodges plunged in from the one yard line to make it 34-0.

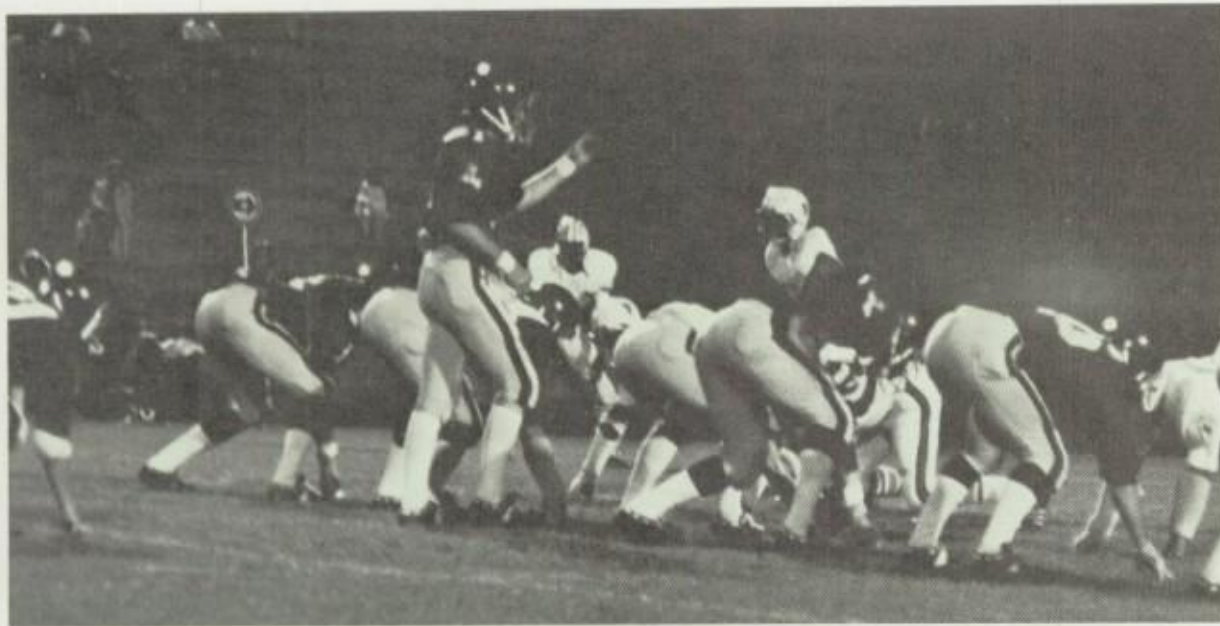

Doug Rogers' interception set up Steve Hodges' four yard run for the final score of the night with the Vikings in front 40-0. Fort Walton held off a final Titan drive to insure a shutout victory.

Vikings Keep on Rolling . . .

The "big red" machine continued to roll as the Vikings chalked up their third straight shutout victory blanking the Mosley Dolphins 28-0.

A partially blocked punt set up the first Viking score of the game as Steve Hodges raced 29 yards down the left sideline for 14 yards and a touchdown. Scott Tudor booted the extra point to put Fort Walton ahead 7-0 midway through the first quarter. Dane McDaniel capped a 55 yard Viking touchdown drive sweeping the right end for 14 yards and a touchdown. Scott Tudor booted the extra point to put Fort Walton ahead 14-0 at the half.

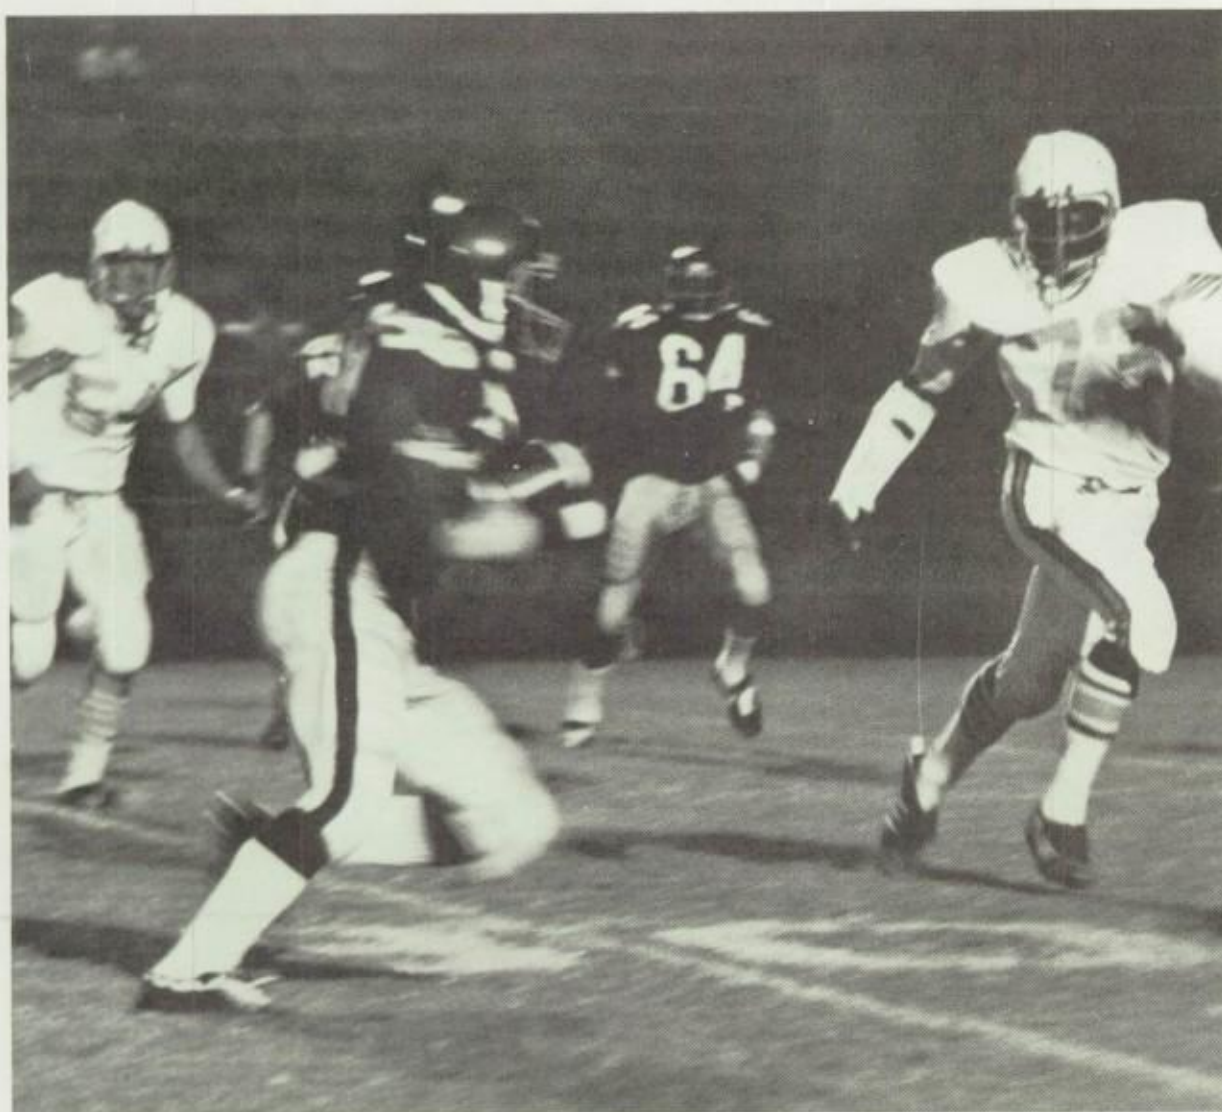

A 27 yard field goal by Scott Tudor went wide of the mark but the Viking defense stopped Woodham cold and following a good punt return Fort Walton had the ball on the 26 yardline. Three plays later Scott Groat dove in from the one yard line giving FWB a 21-0 lead.

Scott Allen rounded out the Viking scoring plunging in from three yards out. The extra point was good with Fort Walton leading 28-0. A fumble ended Mosley's last chance of scoring as the Vikings won 28-0.

Big Red Keeps Winning . . .

122 yards in penalties and four lost fumbles were not enough to stop the Fort Walton Beach Vikings from routing the Washington Wildcats 30-0.

The Vikings struck quickly in the first quarter as Scott Groat hurdled in from three yards out for a touchdown to cap a 66 yard drive. Scott Tudor missed the extra point as Fort Walton led 6-0.

Jeff Holmes returned a Wildcat interception ten yards to the Washington 39 yard line, as Nat Wanamaker bullied in from the one for six points. Another Washington fumble set up the final score of the half as Scott Groat blasted in from the one to give Fort Walton a 18-0 halftime lead.

A superior defensive effort by the Vikings stopped the Wildcats from moving the ball effectively while Fort Walton continued to lead with 15 minutes left in the game.

Early in the fourth quarter Scott Allen connected on a ten yard TD bullet to Steve Hausler to put the game out of reach. The final score of the game came on Daryl Arguello's 23 yard run to give Ft. Walton a 30-0 victory.

The action gets under way as an alert Viking special team is prepared for Washington's return of the opening kickoff.

Shutout String Snapped . . .

The Viking string of 238 minutes of shutout play was ended by Panama City Rutherford who scored late in the fourth quarter as Fort Walton stomped Rutherford 28-6.

A stubborn Viking defense stopped the Rams on their initial drive forcing them to punt. The Vikings continued to dominate action in the second quarter as McDaniel capped an 80 yard TD drive with a two yard quarterback sneak. West kicked the extra point and Fort Walton led 14-0 at the half.

Scott Hattaway pounced on a Ram fumble on the Rutherford 22 yard line and a few plays later Scott Groat knifed in from the six yard line for the score. Less than two minutes later Dane McDaniel hit Scott Tudor on a 18 yard pass play. West kicked his fourth extra point as FWB led 28-0.

Rutherford connected on a 52 yard pass play to snap the Vikings shut-out streak. West missed a 39 yard field goal as FWB picked up their fifth victory winning 28-6.

Vikings Drop Homecoming Game to Tate

Heartbreaking is the best word that can be used in describing the Viking's narrow Homecoming loss to no. 4 ranked Pensacola Tate.

Larry Ashley led the ground attack for the Vikings rushing for a career high 156 yards and one touchdown. Dane McDaniel scored two touchdowns and completed one of two passes for sixteen yards.

Tate returned the opening kickoff 46 yards to the Fort Walton 48 yard stripe. A charged up Viking defense stopped Tate with little yardage on their first possession and took on downs stopping Tate on a fourth down situation. Three plays deep into the Vikings' initial drive, a costly fumble gave the Aggies excellent

field position on the FWB 22 yard line. The Viking defense stopped Tate again without a first down. On fourth and three the Aggies place kicker split the uprights with a 31 yard field goal to give Tate a 3-0 first quarter lead.

Following the kickoff, McDaniel took full charge mixing up plays as FWB marched 74 yards as McDaniel ran the final 14 yards for the touchdown to give the Vikings a 7-3 lead. Tate picked off a McDaniel pass which eventually led to a 41 yard field goal for Tate. The Vikings then mounted a 92 yard drive highlighted by the running of Larry Ashley including his 17 yard touchdown to climax the drive. Scott West kicked the extra point

and Fort Walton led 14-6 at the half.

Defense dominated the action in the third quarter as Tate ate up the clock on a long TD march. The two point conversion attempt failed and Fort Walton led 14-12.

The Vikings appeared to have the game wrapped up as McDaniel ended a long drive scampering eight yards for six points. Scott West booted the extra point and FWB led 21-12 with 12 minutes left in the game. Tate, however, scored quickly following the kick-off on a 76 yard drive to narrow the Vikings lead to two points. With 1:58 left in the game the Vikings had one chance to score; a strong Aggie defense held FWB to a minus 14 yards as time ran out.

Eagles Scalped

Heavy rain did not dampen Viking spirits as they left no doubt as to their ability to strike back from defeat as they mutilated the Niceville Eagles 41-0 for their fifth shutout victory.

Following a poor Eagle punt the Vikings began their initial scoring drive from their own 39 yard line. On the second play of the drive Dane McDaniel found Mark Anglin all alone on the Eagle 30 yard line where he easily raced in for the score.

A good punt return put the Vikings on their own 48 yard line where McDaniel hit Steve Hausler with a 17 yard bullet for six points. The two point conversion attempt was good and Fort Walton led 14-0 at the half.

Steve Hodges 50 yard burst set up a McDaniel 17 yard sweep for a touchdown capping a 80 yard Viking drive early in the third quarter. A blocked punt led to the Vikings' second score of the quarter as McDaniel connected with Mark Anglin for a touchdown to give FWB a 26-0 lead.

Reserve quarterback Scott Allen rifled a 33 yard TD shot to Scott Tudor to open fourth quarter scoring. Jeff Holmes wrapped up Viking scoring as he returned an intercepted pass 35 yards for the score. Scott West kicked the extra point as time ran out with FWB in front 41-0.

Play Off Hopes Stay Alive

Pensacola High School proved to be no match for the fury of the Vikings as FWB caged the Tigers 41-0.

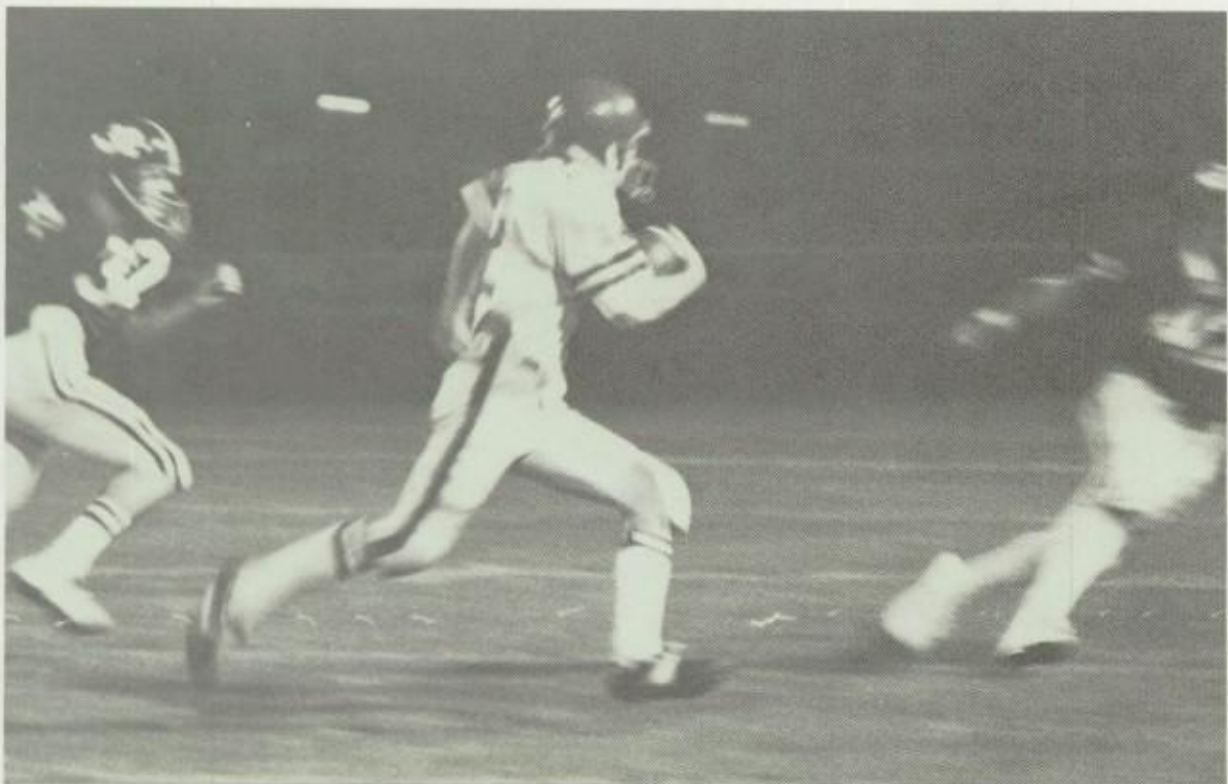

Fort Walton wasted little time in scoring as Steve Hodges burst in for the TD from 28 yards out.

Dane McDaniel knifed in from five yards out for a touchdown to end a 41 yard scoring drive. The extra point was good giving FWB a 14-0 lead. The Vikings struck quickly a few minutes later as Dane McDaniel connected on a 45 yard pass play to Mark Anglin as Fort Walton increased their lead to 21-0. Steve Hausler scored from three yards out with only five seconds left. Scott Tudor kicked the extra point to give FWB a 28-0 halftime lead.

Jeff Holmes picked off a Tiger pass and returned it 26 yards for a touchdown to give Fort Walton a 34-0 lead. Steve Hodges wrapped up the scoring for the Vikings as he crunched in from 14 yards out. The extra point was good, and FWB picked up its seventh season win 41-0.

Vikings Defeat Indians

Finish Second in Big 5

In the "Super Bowl" of high schools Fort Walton Beach breezed by the Choctaw High Indians 7-0. The victory left the Vikings with an 8-2 win-loss record and 4-1 in the Big 5 Conference for second place.

Scott Groat finished with a game high 64 yards while Dane McDaniel completed three of seven passes for 27 yards while running in the game winning touchdown. The Viking defense highlighted by such standouts as Jack Smith, Cliff Lewis, Willie Salter, Bill Hromadka, Tim Taylor, and others stopped the Indians from progressing further than their own 43 yard line.

Fort Walton received the opening kickoff; however, six plays later they were forced to punt. Choctaw could do no better as a fired up Viking defense forced them to punt.

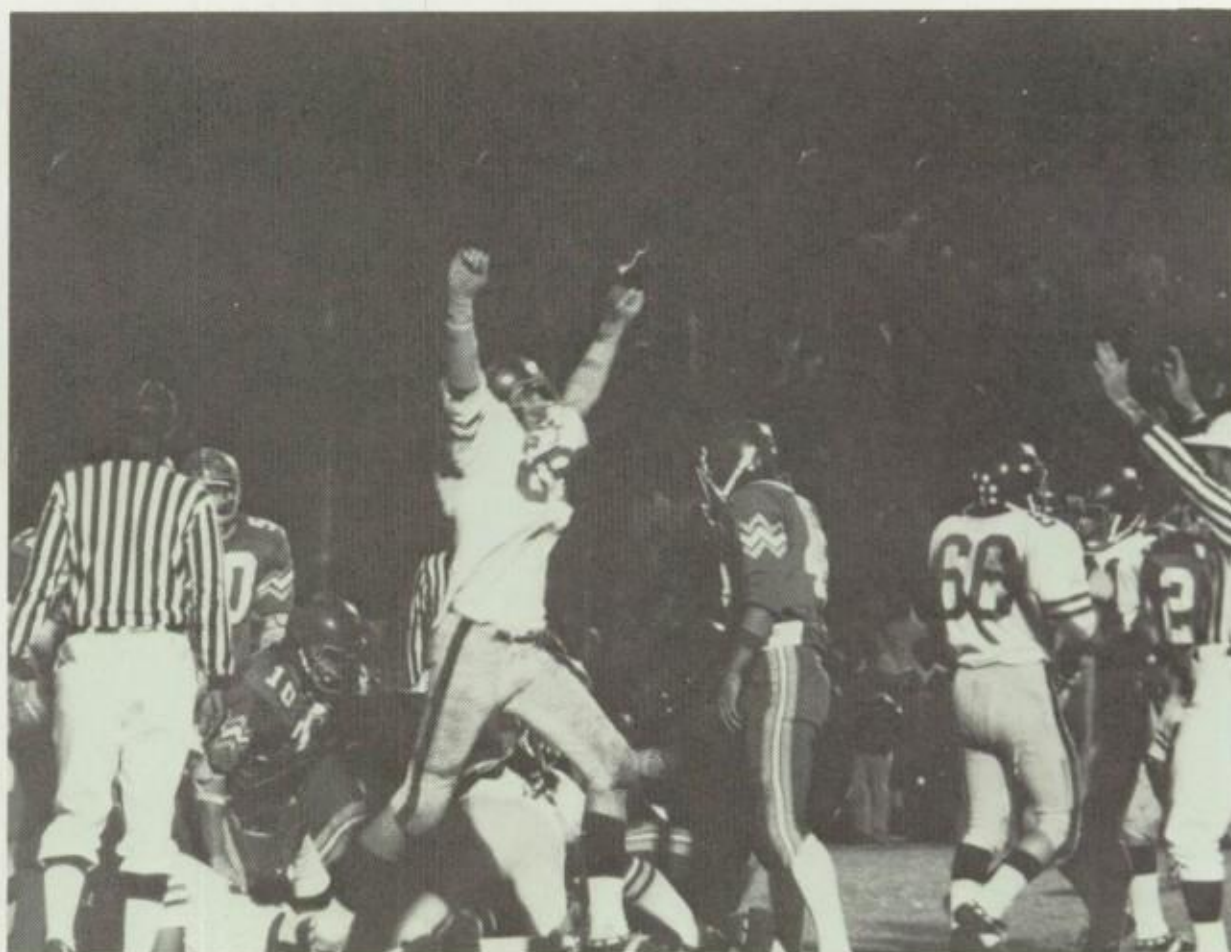

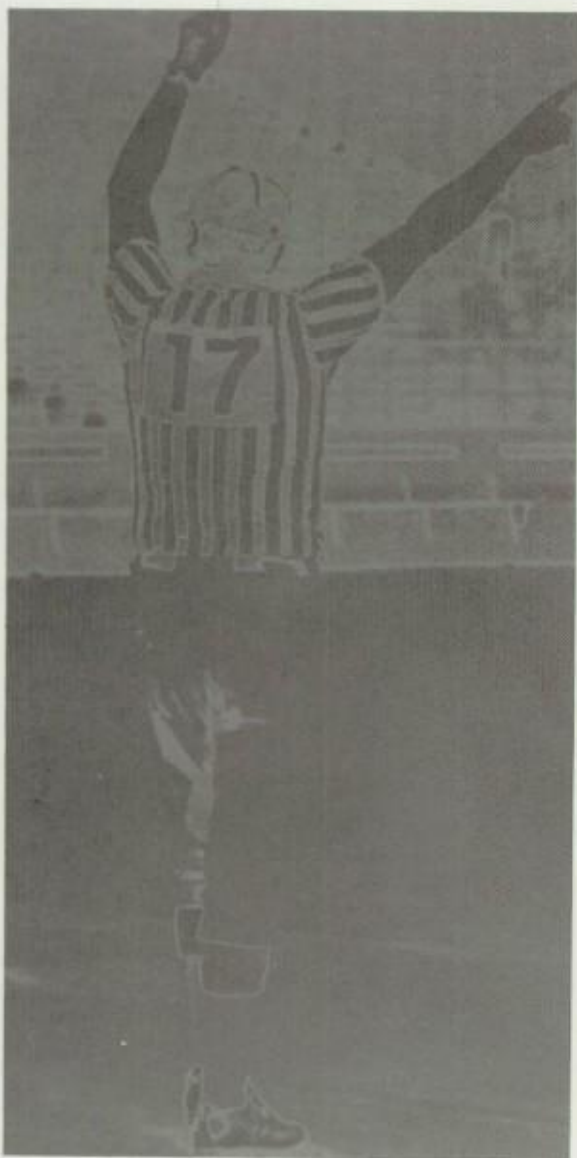

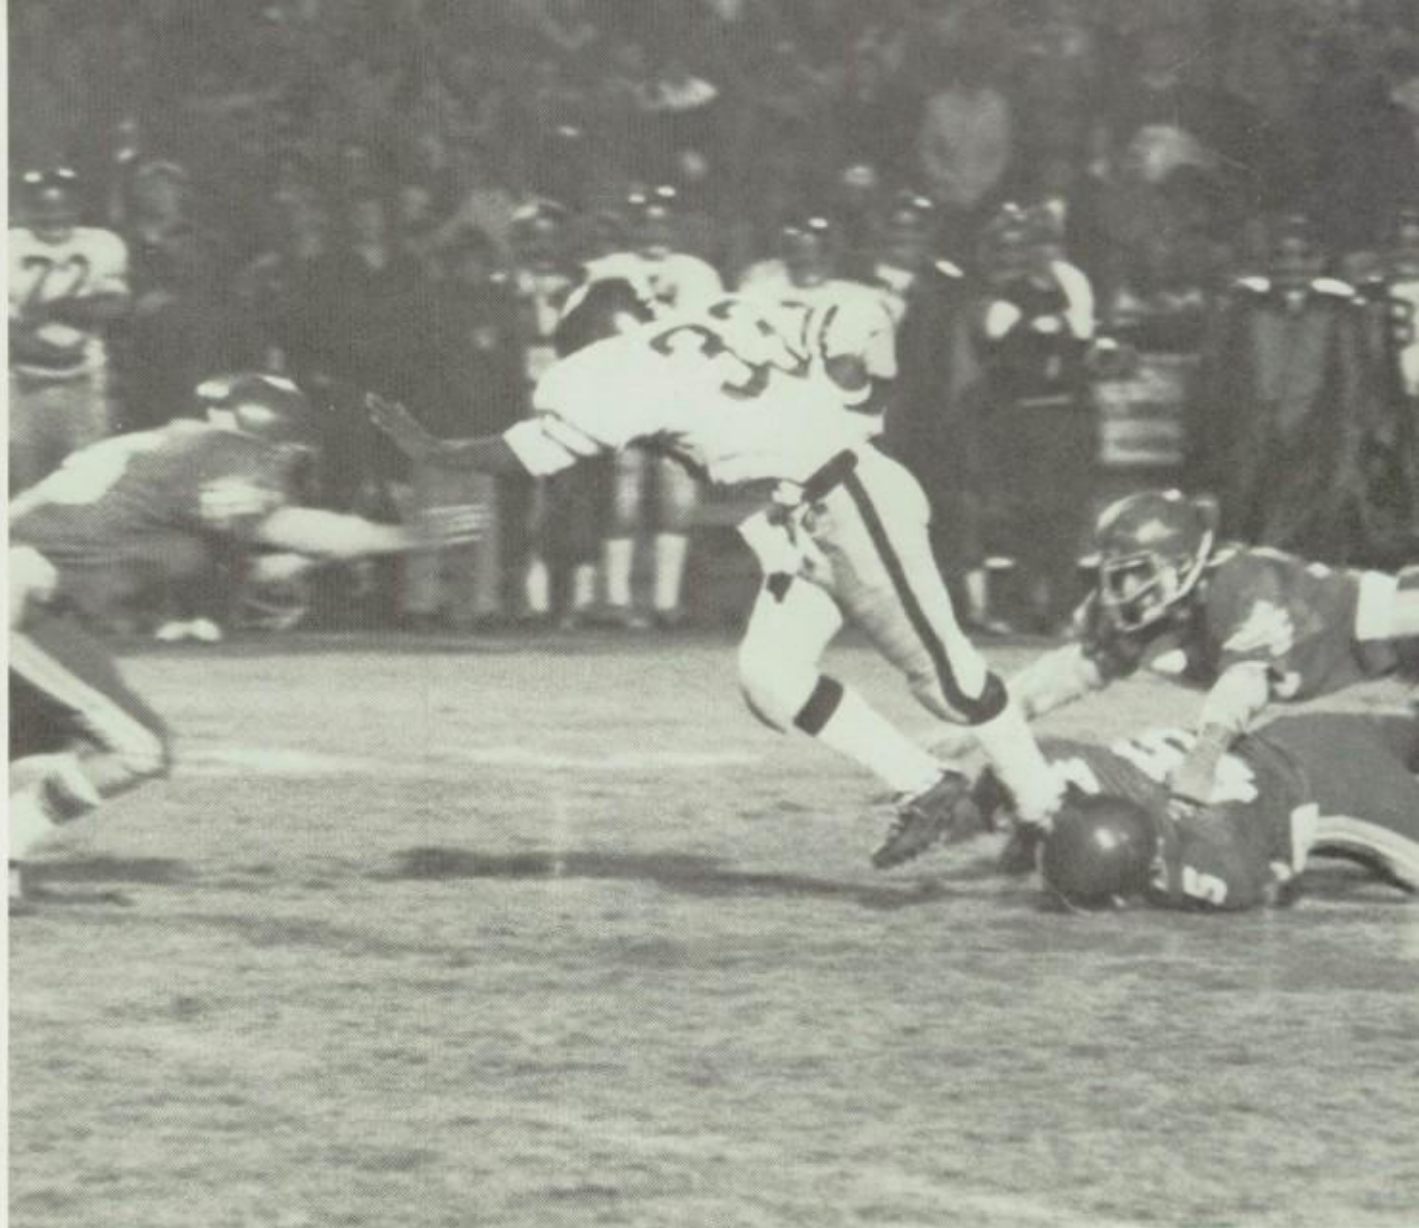

The second quarter continued to be a punting contest as both teams were stopped cold. The Vikings re-

ceived a break late in the second quarter recovering a fumble. FWB failed to make the first down. With three seconds left Scott Tudor missed a 28 yard field goal attempt.

In the third quarter the Vikings recovered another fumble inside Choctaw territory. After failing to make the first down a good punt by Scott Allen gave the Indians the ball deep in their own territory. Following a poor Choctaw punt, FWB took position on their own 48 yard line. Strong running by Scott Groat and key third down passes by Dane McDaniel set up the only touchdown of the game as McDaniel plunged in from one yard out. Scott West kicked the extra point to give the Vikings a 7-0 lead.

Despite another Indian fumble the Vikings failed to score again. As desperate comeback attempts by Choctaw fell short, the Vikings won the third game of the annual meeting 7-0.

First Annual Florida Bowl

Proud Loss for Vikings

The FWB Vikings went down in the hands of defeat to the Gainesville HS Hurricanes 27-20 in the first annual Florida Bowl. Fort Walton dominated the stats of the game but lost four fumbles; two interceptions stopped long Viking drives and gave Gainesville opportunity to score.

In one of his best performances of the season Scott Groat carried the ball for a game high 114 yards. Scott Allen and Dane McDaniel led the aerial attack for the Vikings.

Scott Allen fumbled on the FWB seven yard line where a few plays later, the Hurricanes drove in for the touchdown. The extra point was good as Gainesville led 7-0 at the end of the first quarter.

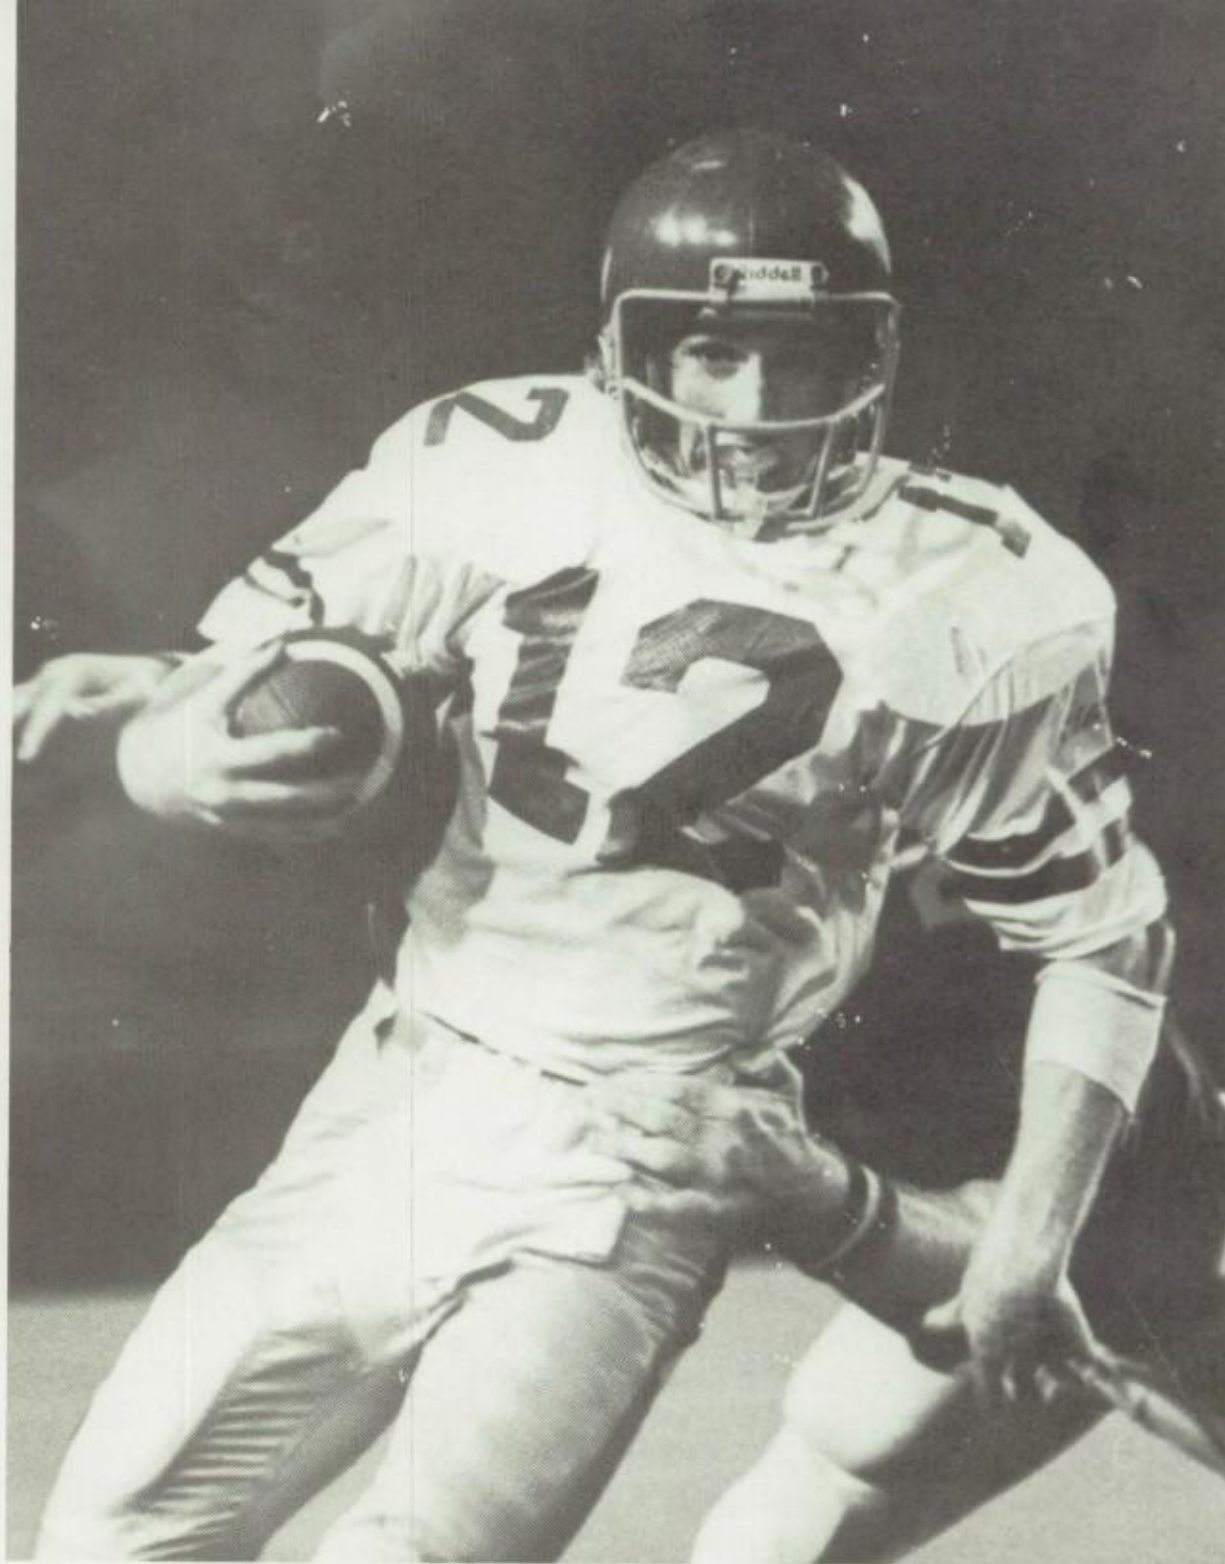

Steve Hodges punched in from two yards out for a touchdown to cap a 74 yard drive early in the second quarter. The extra point by Scott West was good to tie the score 7-7.

Danny Hare put the Vikings in front when he raced 20 yards with a blocked punt for a touchdown. Scott West missed the extra point and FWB led 13-7. Gainesville retook the lead on a 63 yard pass play for the touchdown as the extra point was good.

The Hurricanes returned a pass 30 yards for a touchdown to increase their lead to 20-13. Scott Groat scampered the final six yards for a TD and upped the score 20-20.

The fourth quarter was dominated by the defenses of both teams as neither team could muster a drive of any length. Following a Fort Walton punt, the Hurricanes quickly scored on a 74 yard TD bomb. The extra point was good and Gainesville led 27-20 with four minutes left in the game. Dane McDaniel failed to connect on four passing attempts as the Hurricanes preserved their lead to win the game 27-20.

Cheerleaders Boost Spirits

The 1976 Varsity cheerleading squad continued to promote school spirit at pep rallies, football games, and other activities. During the summer the Varsity Cheerleaders won the distinction of being the Grand Champions at the DCA cheerleading contest held at the University of Southern Alabama in Mobile.

Besides skits at pep rallies, the cheerleaders also organized such activities as painting signs and giving parties for the football team. They also co-ordinated activities for the students of Fort Walton Beach High School such as sock day, fifties day, and formal day.

Miss Joyce Bennett, sponsor of the cheerleaders, also led them in money raising projects for the cheerleading fund. Projects included the selling of spirit ribbons, candy, and Viking badges.

JV Action Sink It

Fort Walton stomped Bay High 21-0 to open the 1975 JV football season; however, it was downhill after that as the Vikings finished the season with a 3-5 record.

The unsuspecting Vikings were swamped 26-0 by Panama City Rutherford in the second game of the season. FWB struck back quickly chalking up an impressive victory over the Choctaw Indians. Despite a strong comeback effort, the Leon Lions handed the Vikings their second loss of the season 21-14. In their strongest showing the Vikings crushed the Eagles 36-0.

In a game plagued with fumbles by FWB the Niceville Eagles got revenge defeating the Vikings 21-6. The Titans' 12-0 win over the Vikings ended FWB's chances of a winning season. In the last game of the season a late rally by the Vikings fell short as the Choctaw Indians won 13-6.

Coach Mikel praised this year's team by saying, "The men had good attitudes and great team spirit."

Russell Bailey was Coach Mikel's most valuable player as other stand-outs were John Cyr, defense, and Dwayne Montgomery, offense.

Vikings Have High Hopes for Season

The 1975-76 season proved to be an exciting one as the Vikings came away with their best season record ever with an 18-6 season ledger. The basketball season yielded two new school records with most points scored against a Viking team — 96 — and lowest amount of points scored against Fort Walton — 33. Willie Scaife led the Viking scoring attack with a 19.2 scoring average while Kevin Macgillivray led the rebounding attack for the Vikings. Over all, the season was a success as a great team effort led to a winning team.

In the first game of the 1975-76 sea-

son the Vikings compiled 66 rebounds as Fort Walton ripped by the Rutherford Rams 59-44. The Vikings shot a hot 54% from the floor as they also out-rebounded the Rams by a 2-1 margin in their effort. Gary Oates led the Viking scoring with 19 points.

FWB 59 — RUTHERFORD 44
Woodham took advantage of a sputtering Viking offense as they slipped by Fort Walton 56-58. The Vikings were very cold from the floor as the Titans came from behind for the victory. Kevin Macgillivray pulled down 18 rebounds and led scoring with 17 points.

Willie Scaife took high point honors with 17 points while Gary Oates pumped in another 13. Tim Taylor paced the rebounding attack with 16 rebounds.

FWB 66 — WOODHAM 47

The Vikings had little trouble with the Niceville eagles whipping them 82-45.

Kevin Macgillivray and Willie Scaife were the game's leading scorers with 18 points a piece. Kevin also controlled the backboards pulling down 14 rebounds.

FWB 83 — NICEVILLE 45

The Vikings continued their winning ways defeating Panama City Mosley 84-47.

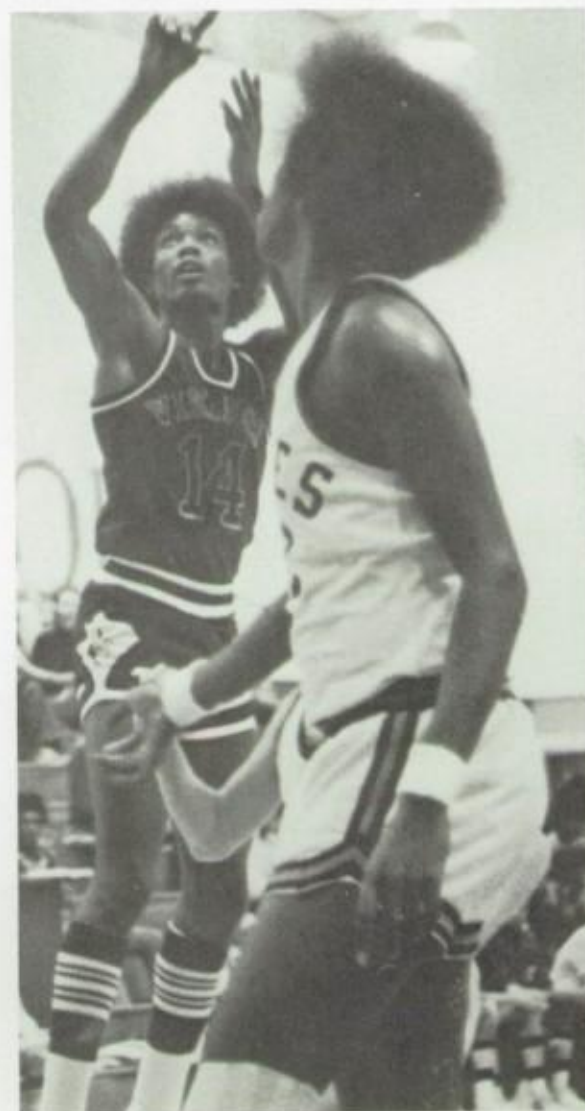

Kevin Macgillivray poured in a game high 22 points while Willie Scaife and Tim Taylor chipped in 18 points a piece.

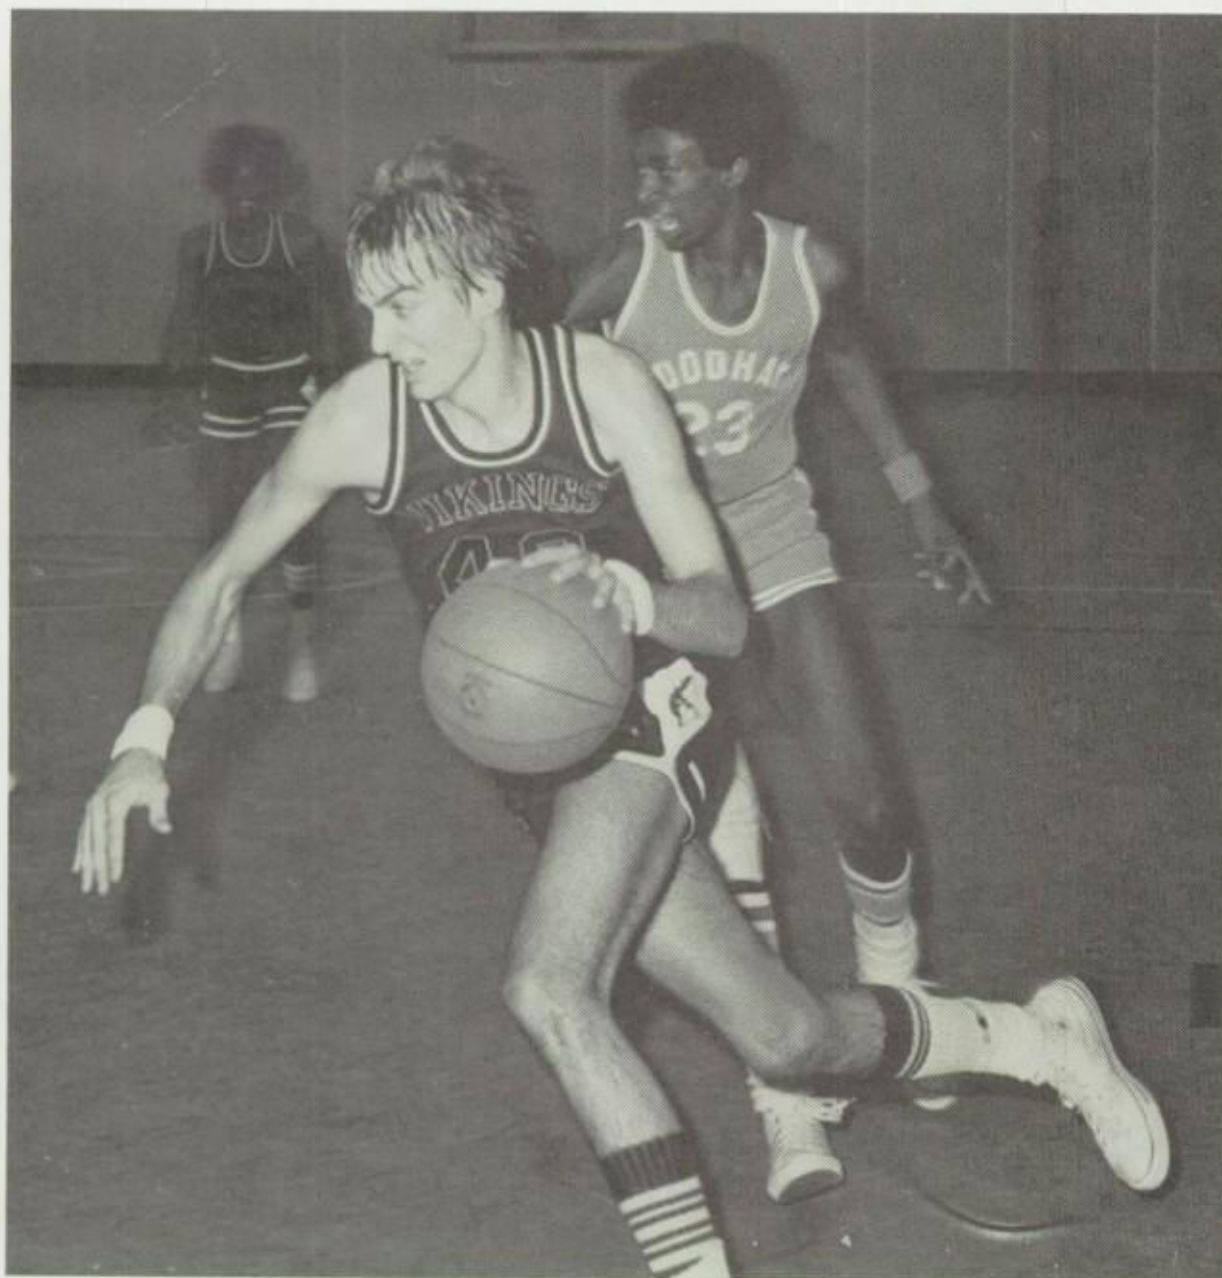

FWB 84 — MOSLEY 47

For the third time in three weeks the Vikings broke the 80 point barrier coasting by Pensacola Rutherford 83-55.

Willie Scaife and Kevin Macgillivray led the Fort Walton attack with 20 points each while Tim Taylor followed closely with 15 points.

Big Reds Roll up More Wins

Fort Walton Beach took advantage of several Brave turnovers as the Vikings easily defeated DeFuniak Springs in the first round of the PNJ tournament 76-46. DeFuniak Springs stayed within striking distance of the Vikings throughout the first two quarters, but a point explosion in the second half gave Fort Walton the winning edge. Willie Scaife dropped in a game high 18 points while Kevin Macgillivray contributed 14 more points.

FWB 76 — DEFUNIAK SPRINGS 46

Fort Walton Beach held on to a slim two point margin in the fourth quarter as the Vikings moved into the final round of the PNJ tournament slipping by Milton 52-50. Costly errors almost blew the game for Fort Walton as they barely held off a last second Milton comeback charge. Willie Scaife led the Viking scoring as he dumped in a game high 18

points.

FWB 52 — MILTON 50

With one second left in the game Crestview hit on a pair of foul shots for a 60-59 victory over the Vikings in the final round of the PNJ tournament. Neither team held more than a four point margin as the lead switched hands several times throughout the game. Willie Scaife led the scoring attack for the Vikings with 18 points while Gary Oates in a strong showing finished with 16 points.

FWB 59 — CRESTVIEW 60

The Vikings increased their win-loss record to 8-2 as they throttled Pensacola High School 67-53. The Vikings grabbed an early lead and were never seriously threatened by Pensacola High School throughout the game. Dependable Willie Scaife connected for 21 points while following close behind was Jim

Blackburn, who finished with a career high 19 points.

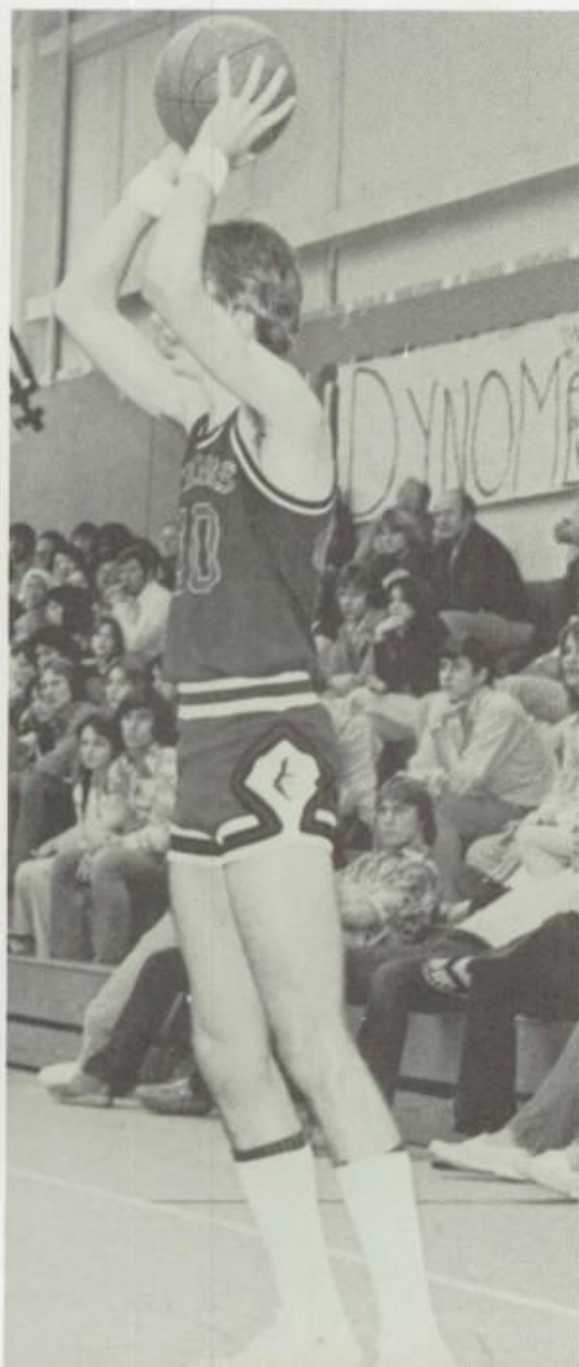

FWB 67 — PHS 53

The Fort Walton Beach Vikings virtually destroyed the Choctaw Indians 91-51. The full court press and several fast breakaways proved too much for the Indians as led to several lay-ups and gave the Vikings a commanding lead since they were never threatened by Choctaw. Willie Scaife ripped the nets for a season high 29 points as Kevin Macgillivray chipped in 16 points.

FWB 91 — CHOCTAW 51

The Vikings ruined the Aggies four corner offensive play as Fort Walton breezed by Tate 67-53. The Vikings held on to a slim half time lead until they pulled the game away on a 21 point third quarter effort. Willie Scaife led the Viking's scoring with 19 points.

Greg Head prepares to leap for a shot.

All the Way to State

The Vikings stormed past the Escambia Raiders 66-45 as the Vikings increased their season record to 12-2. The rugged Viking defense kept a cold Raider team from warming up as Fort Walton took advantage of an early lead for the win. Willie Scaife led the Viking scoring with 20 points.

FWB 66 — ESCAMBIA 45

The Vikings hit a strong 51 percent from the floor while they limited Mosley to less than 10 points a quarter as Fort Walton stomped the Dolphins 63-33. The Viking defensive effort was a school record, and the 33 points was also the Vikings' best defensive showing of the season. Willie Scaife struck for 19 points while Kevin Macgillivray followed with 18 points and 8 rebounds.

FWB 63 — MOSLEY 33

The Vikings ruined Escambia's slow down play as Fort Walton breezed by the Raiders 67-53. The Vikings held on to a slim half time lead until they pulled the game away with a 21 point third quarter effort. Willie Scaife led the Viking scoring attack with 19 points.

FWB 67 — ESCAMBIA 53

Fort Walton jumped out to a quick 23-10 first quarter lead as the Vikings stunned Washington 70-55. The Wildcats never were able to recover from the big Viking lead as Fort Walton fended off short Washington rallies. Willie Scaife blasted the nets for 28 points while Kevin Macgillivray contributed 16 more.

In a thrilling game that went down to the buzzer, the Vikings eased by Pensacola High School 71-67. The Vikings shot a horrible 39 percent from the floor, but four clutch shots saved the Vikings. Tim Taylor and Willie Scaife shared the Viking top scoring honors as both men notched 20 points. Tim Taylor also grabbed 14 rebounds.

FWB 71 — PHS 67

Fort Walton Beach was handed their worst defeat of the season, and in the history of the school, losing 55-96 to Washington in the Big 5 tournament. The Vikings never got unwound as the Wildcats completely dominated the game. Willie Scaife hit for 16 points, three below his average, as Tim Taylor and Kevin Macgillivray dropped in 12 points apiece.

FWB 55 — WASHINGTON 96

Fort Walton Beach overcame a one point deficit with seven minutes remaining as the Vikings stomped Choctaw 68-55. The Viking defense stiffened up in the final period as several Indian turnovers gave the Vikings a quick 13 point advantage. Willie Scaife had another good night as he poured in 27 points.

FWB 68 — CHOCTAW 55

The Tate Aggies gave Fort Walton little trouble as the Vikings breezed by Tate 80-61. Fort Walton rolled off 11 quick points in the first quarter before Tate even scored, as the Vikings held on to a comfortable margin throughout the game. Willie Scaife was high scorer with 21 points while Kevin Macgillivray pulled down 13 rebounds.

Vikings Split Next Two

The Niceville Eagles shocked Fort Walton 50-52 in a surprising upset victory. The Vikings scored only five points in the fourth quarter, a season low, as Niceville scored 19 points to overcome a 12 point Viking lead. Willie Scaife scored 18 points to lead the Vikings as Kevin Macgillivray pulled down eight rebounds.

FWB 50 — NICEVILLE 52

Fort Walton avenged their earlier loss in the season to Woodham as they blasted the Titans 70-52. Vikings broke this game wide open in the third quarter as the Vikings scored 23 points compared to six for Woodham as Fort Walton went into the final eight minutes of play. Willie Scaife banked in 24 points to lead the Viking scoring attack while Kevin Macgillivray pulled down a season high 20 rebounds to lead the Vikings in that respect.

FWB 70 — WOODHAM 52

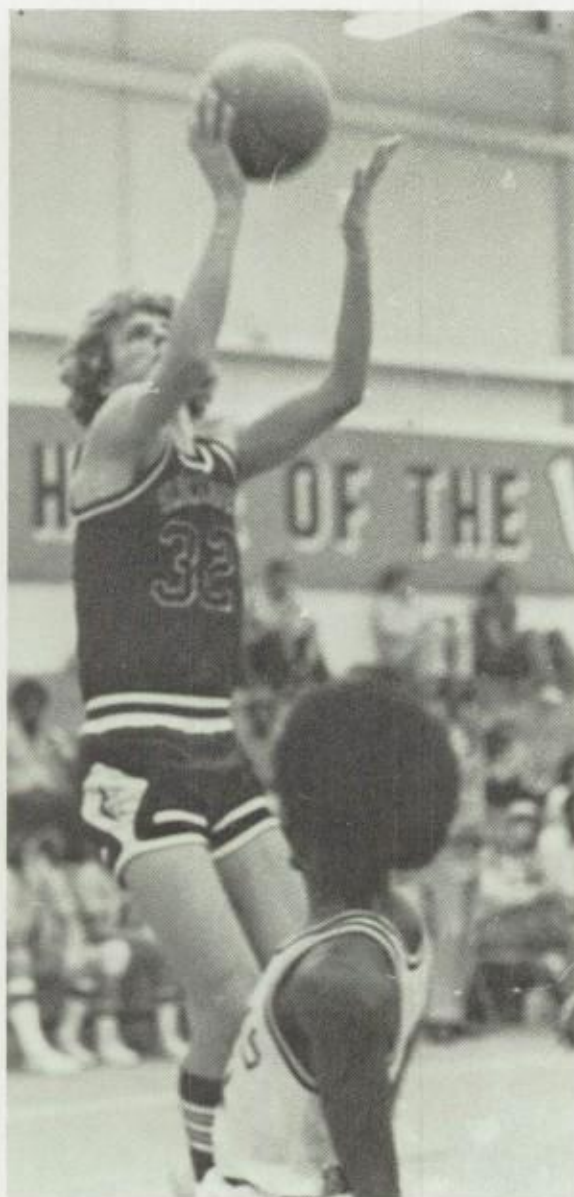

The Vikings took the lead for the first

time with six minutes left in the game as the final seconds ticked off the clock with Fort Walton winning 69-64. The Braves had held the lead throughout the game until the Vikings began their comeback rally in the third and final stanza. Willie Scaife led the Viking scoring with 21 points as Kevin Macgillivray yanked down 18 rebounds.

FWB 69 — BAY 64

The Vikings ended their 1975-76 season on a sour note as the Washington Wildcats defeated Fort Walton 57-67. The Vikings appeared to have the game under control as FWB took advantage of a seven point halftime lead. The second half, however, proved to be a different story as the Wildcats stormed back for a comeback win. Kevin Macgillivray was the high scorer for the Vikings with 16 points.

JV Cagers

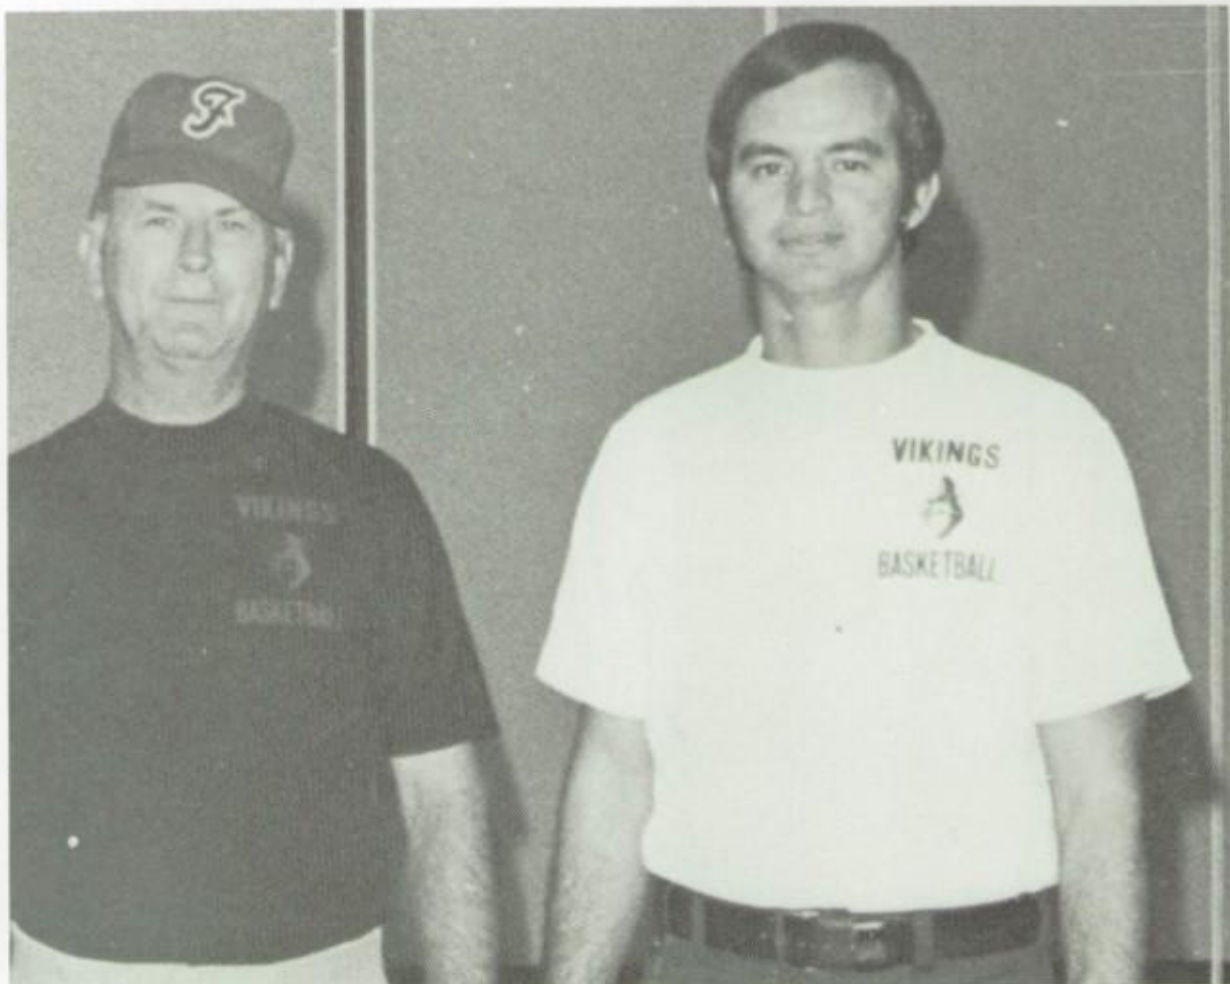

The 1975-1976 JV basketball season was a disappointing one as the baby Vikings ended up with a 8-11 win loss record.

Despite strong rebounding and good shooting the Vikings were handed many heart breaking one or two point defeats in games which could have gone either way. Just like the varsity basketball team, the JV Vikings had their ups and downs as they were either blown out by their opponents or they blew their opponents out of the game.

Highlights of the season included a 79-47 win for the Vikings over the Escambia High School Raiders. The Vikings also lost a double over-time thriller to the Niceville Eagles 56-59.

Vikings Optimistic about Season

Despite only five returning lettermen the 1976 baseball team proved to be outstanding.

Under the leadership of Coaches Larry Olson and Hoagy Carmichael the Vikings practiced everyday after school as they worked hard to gain experience in every position on the field

Coach Larry Olson was very optimistic about the season as he commented about the team by saying, "We have as good chance as anybody at the District title."

Fleet Feet

Starting the season with nine returning letterman and eleven new runners, the 1976 Viking Track Team sweated its way to victory. The season was a busy one with ten track meets and hopes for participation in the Regional Track Meet. Tirelessly, Coaches Holmes, Davenport, Wood, and Crenshaw, pushed our runners onto the school's track every day after school for a real work out. This season proved especially good for the distance runners — 440, 880, and mile.

Up to Par

The 1976 Golf Team proved to be quite "up to par." Led by Captain Greg Vesey, the team endeavored to reach their goals of district and state. They coupled determination with ability for an outstanding season. Under the instruction of Coach Billy Mikel, the team practiced many days after school at the Fort Walton Beach Municipal Golf Course. Hard work paid off as the team's scores approached par.

The Best in Net Results

Practice Pays Off

The 1976 Swimming and Diving team got off to a splashing start with thirty-five determined and hard working Vikings. Coached by Mr. Bill Habarstroh and sponsored by Mrs. Dru Beuerlein, the team was stopped by neither rain, sleet, snow nor hail in its twice a day practice to achieve a winning style. The team strived to reach their major goal of state championship by competing in five dual high school meets and a regional meet. The members also participated in a Gulf States meet in which Mike and Julie Beuerlein and Cindy Judge all placed.

Vikings!

The girls in sports at FWBHS this year had it all together! Starting with a group of attentive females, coaches, Mrs. Ann Cannon and Miss Ellen Dodson, successfully rounded up the spirit, sportsmanship, and skill needed to produce a champion team.

It was an especially good year for basketball. The season opened October 19, with a successful away game. With outstanding victories, the "A" team even beat O.W.J.C. twice in scrimmages. This was the first girls team ever to participate in district championship games with high hopes of a state title. All in all, it was a very good year for girls' sports.

Viking Volleyball

"Go get'em Vikings!" was the idea that rang out in the heads of our female athletes. Coordination in set-up, spiking, and powerful hitting was a key to great volleyball which is exactly what was achieved by the straining practices. The girls were runner-ups in the District Volleyball Tournament.

FBLA Attends State Meet

The year of 75-76 proved to be an active one in all areas of the Future Business Leaders of America. This year the FBLA hosted the District I Rally and Cookout and had several get togethers with members of Choctaw's FBLA. Holding car washes and having candy, stationery and corsage sales provided for much of the club's finances. FBLA also entered in the District and State competition, and participated in the Heart Fund Drive, Mother's March, Typathon, and the Salvation Army Canned Food Drive. In addition to having distinguished guest speakers every month, the club also provided Halloween and Christmas activities for the Day Care Center and Convalescent Home. FBLA displayed their spirit and pride when they won third place honors with their Homecoming float. The members of FBLA appreciated the dedication and hard work of their sponsor, Mrs. Bowers, whom they entered in the Advisor of the Year contest earlier this year.

Anchor Promotes Safety in Area

Sponsored by the Pilot Club of Fort Walton Beach, the Anchor Club's goal is to become a part of the social and economic growth of the community. This service club was active in many areas of school life this year. In September, a fish fry was held by the Anchor Club to help raise funds. The club also continued their ushering this year at the Civic Center Marionette Show and produced a

program for the Pilot Club later in the year. The big project for the club was the "Buck for Buckling Up" project. The police would stop cars, and if the driver had the seat belt on, the Anchor Club gave them one dollar. This was to promote safety in the community. Mrs. Bass, the school sponsor, contributed a lot to the success of the club.

Viva Español

In an effort to raise the money to attend state convention in Gainesville, the members of the Spanish Honor Society sponsored several fund raising projects throughout the year. One of their main projects was selling balloons at all home football games. Other money making schemes included putting together and selling basketball programs, selling Viking decals, sponsoring a dance and ping pong tournament.

High Standards

Led by sponsors Mrs. Lynn Mayfield and Mrs. Jennifer Meade, Beta Club performed many services to the school and community throughout the year.

Service projects sponsored by Beta Club were the Ten Most Spirited Vikings Contest, choosing Frey and Freyja every month, collecting and distributing magazines to rest homes, hospitals, and wherever else they were needed, typing the Honor Roll every six weeks, and making birthday cards for faculty members.

Money raising projects for the club included selling doughnuts in the cafeteria mornings before homeroom and holding the first annual "Crazy Legs Contest."

German Honor to Jacksonville

German Honor started off the 75-76 school year with the election of officers. One of the first activities of the year for the club, in early October, was the initiation of new members. The theme this year was "German Contributions to the United States." Later in the month, the club entered a float in the Homecoming Parade with the same theme.

Twenty-five members attended the State German Honor Convention which was held in Jacksonville, but before they could go they had to raise \$1500. A car wash at the beginning of school, and the sale of Gummy Bears helped them achieve their goal.

Fleus and Flowers en Francais

Promoting the French language and culture, as well as preparing for convention, occupied most of the French Honor Society's time this year.

Sale of Viking Fleus, little furry spirit pins, has become a traditional part of football season as well as one of the clubs most successful fund raising projects. Other money making ventures included a stationery sale, carwashes, and a doughnut sale. On May Day, the club helped bring a little French tradition to the school

with a flower sale. The sale commemorated an old Parisian custom of exchanging a flower for a kiss on this day.

Besides raising money for the trip members, with the help of sponsor, Mrs. Lydonna Miller, worked hard on French presentation for the annual convention, Le Congres Francais. The year began and ended on a formal note with initiation and final awards banquet. Mr. and Miss FHS were announced at this function.

Conventions And Concern

Encouraging girls to develop their talents and home economic skills, Future Homemakers of America served its members and the school.

The year began with a District Convention in Niceville to coordinate and share ideas with neighboring chapters. Later in the year, members went on to State Convention in Miami. Their next major project was an outstanding Homecoming float, awarded second place in the club division. Cookbooks and doughnut sales helped finance these projects.

ICC Sponsors Salvation Army Canned Food Drive

Under the direction of Mr. Neal Urquhart, the Interclub Council provided an opportunity for the club presidents to exchange ideas and work out any difficulties they might have had within their respective clubs. ICC also provided a chance for organizations to join together for such activities as the Heart Fund Cyclethon and the Salvation Army Canned Food Drive.

ICC members welcomed the Entre Nous Service Club, a new club to the school, and guided them in making their constitution workable.

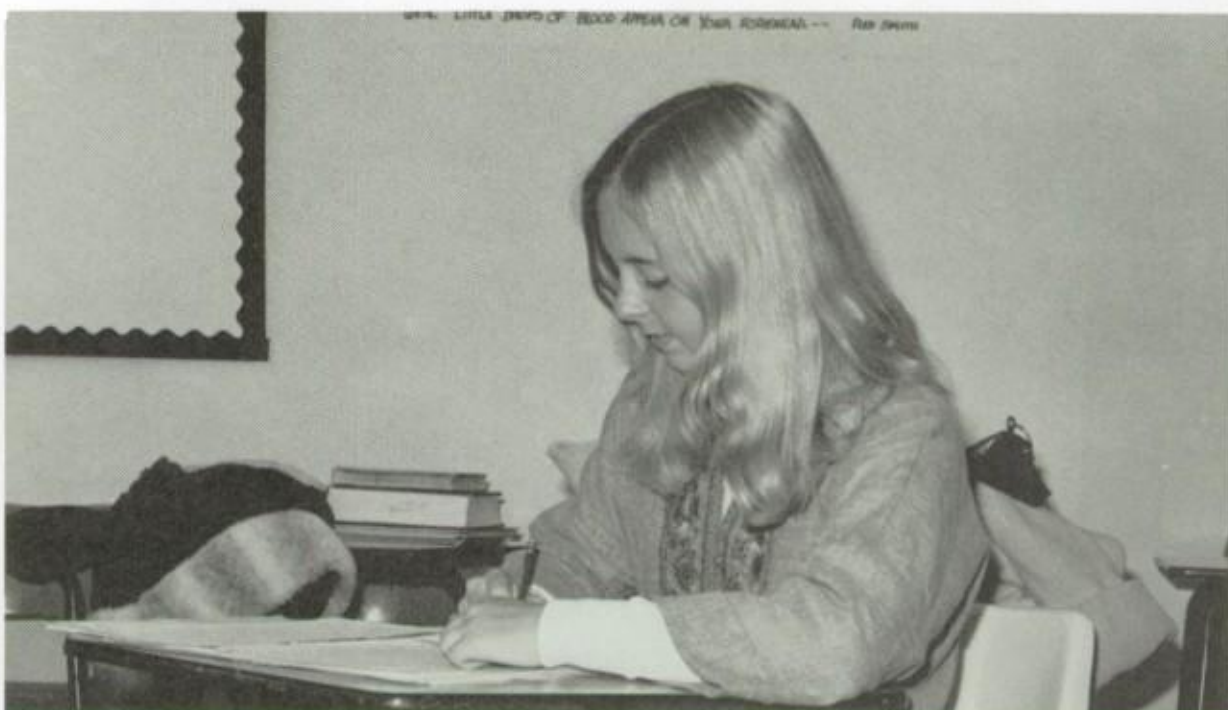

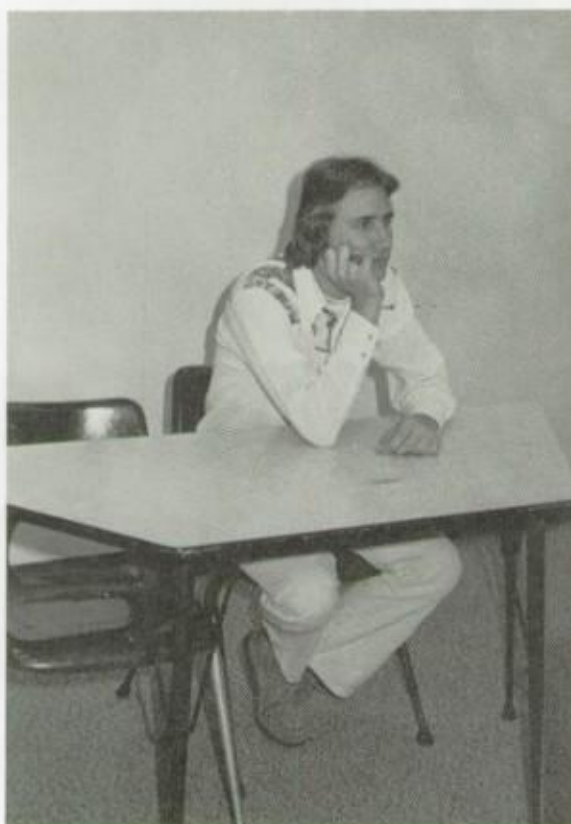

With an effective point system, ICC was also able to present the Club of the Year award to the club most outstanding in the areas of academics and service.

Mu Alpha Theta Promotes Math

From the beginning of the year, Mu Alpha Theta had participated in most school activities. Through the meetings, mathematics has been promoted by programs presented on ideas of interest. Mu Alpha Theta has had great participation in all pep rally decorations and entered in the Homecoming festivities with a float and gym decorations. This year they were active in community affairs such as the Canned Food Drive and Cyclethon for the Heart Fund. Mu Alpha Theta has been active in out-of-state math tournaments, and has invited many speakers to talk at their meetings. Mu Alpha Theta's activities for the year included installation of new members, social events for fellowship, and recognition of outstanding math students.

Dedication Reaps Reward

With the experienced staff members teaching the newcomers how to crop pictures, prepare typesheets, and write copy, the 75-76 edition of the *Valhalla* proved to be an educational experience for all concerned.

There were always a few groans when Sahron Edwards told the staff to be prepared to work all weekend and to "take a good look at the sun when you get up, because you sure

aren't going to see it again until this deadline has been met."

Quite a few long hours were spent in the library toiling away over copy or trying to get pictures to fit layouts. Photographers worked for hours at a time in the darkroom, filling work orders for pictures usually not given to them until a week before a deadline.

Sunshine

Service to the school and community kept Keyettes busy all year. Helping other organizations, they participated in a can drive and cyc-lathon. Raising and donating money to the American Cancer Association has become a continuing project for the club. Another tradition, continued this year, was the sponsoring of a needy child. Locally, members treated underprivileged children to a Halloween carnival. Friendship was extended to the elderly in visits to the convalescent home. Contributing to the school also concerned the Keyettes. Appreciation of the football team was shown by a varsity and JV party, in addition to weekly sign painting for pep rallies. Halloween ghosts were given to the teachers in gratitude for all they do. A school day in March was brightened by a Sunshine Day flower sale. One of the largest and most successful productions the club undertook was the Mr. Striking Viking contest, enjoyed by audience and contestants.

Action Speaks

The Leo Club, under the guidance of Mrs. Margaret Privette, was a service organization sponsored by the Sonic City Lions Club of Fort Walton Beach. During the year the Leo Club participated in the Heart Fund Cyclothron and a food drive sponsored by the Salvation Army. Leo Club members proudly sold over 1,000 candy canes to fellow students. This money was used to give the students of Annette P. Edwins Elementary School a surprise visit from Santa Claus, alias Glen Morris. Santa and his helpers Pam Anderson, Stephanie Christakos, Kathy Knox, Tina Clodfelter, Kathy Valade, and Natalie West, passed out candy to all of the children. The Leo Club also enjoyed the thrill, excitement and endless exhaustion of selling annual covers, their yearly project.

“Act Well Your Part . . .”

The emphasis for Thespians this year was on play production, for the public and competition. Christmas mistletoe sales and car washes helped raise money for these ventures.

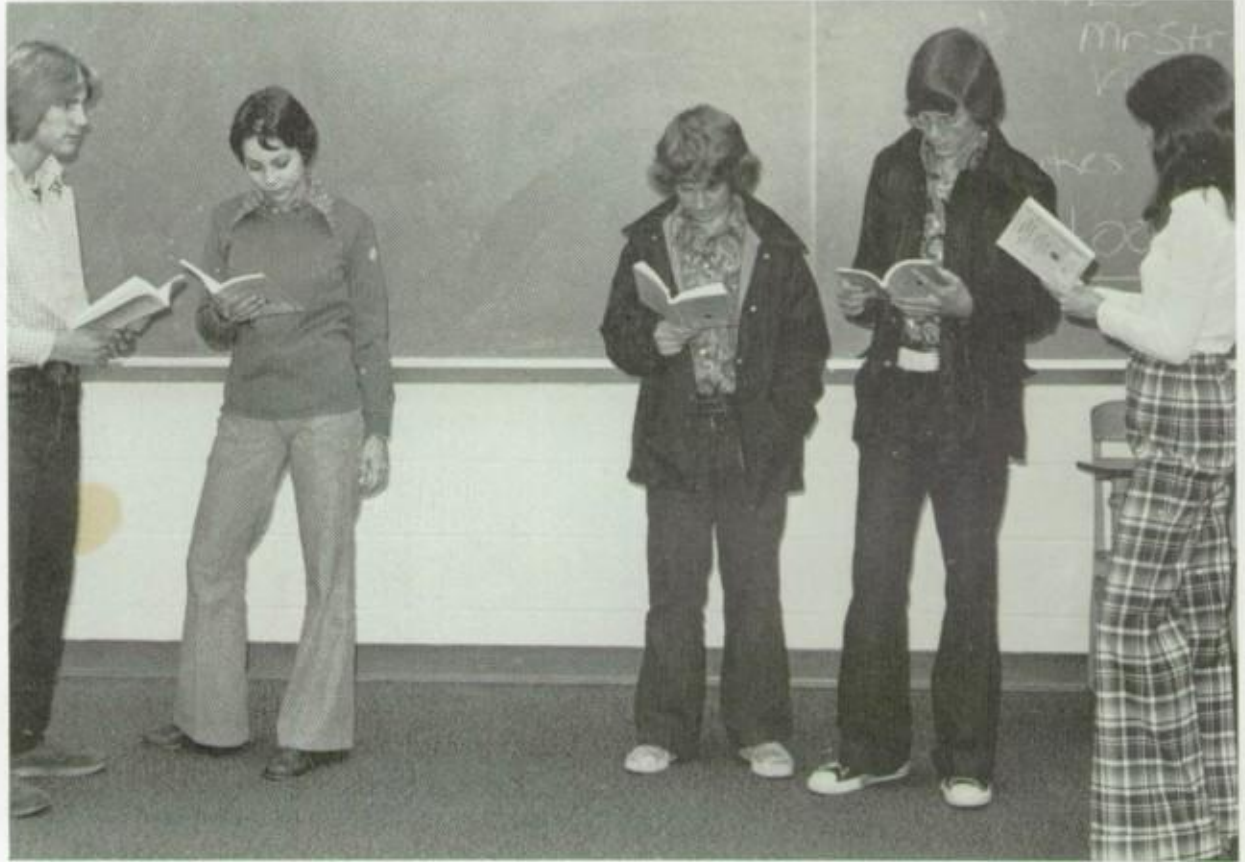

Their first project was a one-act play, “Overpraised Season,” performed at the District One-Act Festival. In February, a full-length play was then presented after many hours of work

by cast and crew. Later in the spring, another three-act production was equally well received.

Mr. Bob Johnson took over as the new Thespian sponsor and director at the beginning of the year. With his help, the group produced more plays in one year than ever before. An awards and initiation banquet concluded a very successful season.

Creativity Crystallizes

Quill and Scroll, an international honor society, offered students interested in literary publications an opportunity for involvement. To be eligible for membership, students must have previously had some of their work published.

Members were responsible for editing, contributing, and preparing for the publication of the literary magazine, *Inspectare*. This annual publication provides an outlet for

student creativity and features original writing and art work. The theme of this year's issue was "I am, I said" from the title of a song by Neil Diamond. The staff made an effort to choose work reflecting the talents and attitudes of the entire student body.

The club, sponsored by Mrs. Griffith, worked to promote individual expression through creative writing.

Champs Again

This was the second year of operation for the Girls Athletic Association. The membership consisted of all girls who had participated in team sports at Fort Walton Beach High School.

The G.A.A. was also a service club. Throughout the school year members worked along with the I.C.C. on many community-minded projects. Among these was the canned food drive for underprivileged families.

This year the club raised money by holding car washes and selling concessions at JV football games.

Eco-awareness

The main aim of the Science Honor Club was the preservation of our environment. During the year the club obtained a charter membership to the state wide ecology organization for high school clubs. Members hope that in the future the club will be able to play a major role in ecology activities in the local community. The club not only talked about ecology, they planted slash pine seedlings in the area.

Key Joins Kiwanis in Setting up Blood Banks

The Key Club, one of the most active service clubs in Fort Walton Beach High School, worked closely in cooperation with the Kiwanis of Fort Walton Beach. During the past year, the club members performed many services throughout the community. They set up two Blood Banks and at Christmas made a trip to the Boys

State Home in Marianna to distribute presents supplied by the Kiwanis Club. The Key Club also assisted in the Senior Citizen Fishing Rodeo and set up planters down Main Street to beautify our city.

Along with many of the other service clubs in the school, the Key Club

contributed to the Interclub Council's Canned Food Drive, and participated in the Heart Fund Cyclothon.

Joining with the female counterpart of their club, the Keyettes, the Key Club went Christmas caroling and had a Christmas party.

Spirit

Service and spirit characterized Wheellettes this year. In conjunction with the Salvation Army, they collected cans of food for needy families. Stadium clean up and participation in the Heart Fund cyc-lathon were among their projects. It has become a tradition within the club to do something for Silver Sands School annually. This year they sponsored a Valentine party for the children.

Within the school, members showed spirit with pep rally signs and an impressive Homecoming float.

To help coordinate and plan projects with their sponsor, Rotary Club, members attend their weekly luncheons.

Student Council Sets Precedents

Mary Wenzel (President), Rosebud Murphy (Secretary), Mike Carpenter (Vice-President), and Mike Sambogna (Parliamentarian), lead the Student Council in its projects and meetings.

Enthusied members find the tables much more comfortable than the chairs.

This year the Student Council had various ideas to keep the school going. Early in the year a new precedent was set for picking Student Council members. This year, members were selected by the applications they turned in instead of by homeroom nominations. The Student Council gave devotionals in the beginning of the year and led the students in the Pledge to the Flag over the intercom. Also, a car rally and the traditional Slave Day were held in the spring. The Student Council headed a yearly scholarship fund in remembrance of Mr. Mike

Soave. During the Christmas season, a tree was erected in the cafeteria to keep the students "in the spirit." One of the many goals of the Student Council was to synchronize all the school clocks. Another, was to check out all the possibilities of getting a future swimming pool somewhere in the area. The third goal was to have all elections held at the end of the year instead of at the beginning of the next year. The Student Council appreciated the confidence and leadership of their sponsor, Mr. Jerry Reynolds.

New Addition

Entre Nous, a newly formed club, proved its abilities this year by its eagerness to get involved in all school activities. With dedicated and hard working members, this new service club quickly swept all Homecoming honors. These included a First Place Gym decoration and an outstanding First Place Homecoming float. In addition to these honors, Entre Nous collected over 500 cans of food for the Salvation Army Canned Food Drive. The Club held a get together with Choctaw's Entre Nous earlier in the year which all members enjoyed. One of the goals of this year was to donate some of the club's money to the Humane Society. Another, was to sponsor a Favorites Presentation Night. Entre Nous, under the leadership of Mrs. Tate has proved that it will continue to be a notable club in years to come.

Bus Service

Best service club, best Florida State Interact Club, and home of the next governor of Interact Clubs of the state of Florida were some of the goals of the Interact Club at FWBHS.

Providing transportation to away games, creating the Interact Student Movie Theatre, beautifying the school grounds with shrubbery, building floats for the Homecoming and Veteran's Day Parades, and setting aside money for a one hundred dollar scholarship were some of their school projects.

This was not a slow moving club. Interact sold circus tickets for the benefit of the Y.M.C.A. and Boys' Club and participated in the canned food drive. Members planted trees for the Chamber of Commerce and provided speakers for many Civic organizations. Interact hosted the state convention in Ocala.

Hi-Y Travels to Fla. Youth Leg

Hi-Y is a YMCA affiliated club formed to promote high school interest in Youth Legislature. This program is an educational approach to the development of citizen participation in the democratic government. It provides the students an opportunity to study issues, debate policies, write legislation, and participate in the process of government through a model legislative program. This year all interested members attended a Pre-Legislative session at Gulf Breeze High School. Then 14 delegates were chosen to attend Youth Legislature at Tallahassee. At this replica of the Florida legislature, approximately 400 young people from throughout the state are present and take part. This summer FWBHS's Hi-Y plans to go to the Blue Ridge Mountains in Tennessee to meet with other clubs throughout the United States.

Winning Surfers

The Surfing Club met weekly on Wednesdays to discuss a variety of topics; among them were money raising ideas, surfing contests, and surfing in general.

A few of the projects which helped the club raise money were a bake sale in January and a skate board raffle. A surfing contest was sponsored by the club in February.

Two members of the Surfing Club, Skipper Mathews and Kenny Phillips, participated in the Eastern Surfing Association Surfing Contest which was held in September.

NFL Chapter Formed

Students attending speech tournaments together formed a new club this year. The Miracle Strip Forensic Tournament, sponsored with Choctawhatchee High School, was the National Forensic League's first major undertaking.

Attending tournaments, as far away as New Orleans, was the main activity of the club. Members worked for

points by competing at contests to earn degrees conferred by the national organization. One of the most important contests for the club was the Florida Forensic District I Tournament. Winners of this competition went on to compete at State. Mr. Johnson served as sponsor of the club and coach to the students competing interscholastically.

Creative Efforts

Art Club worked all year, earning recognition for themselves and the school. Despite more than one setback, artistic perseverance finally resulted in a permanent Viking marker in Memorial Stadium. Besides helping the Senior Class with this contribution, the club also took on responsibility for the sets of the musical, *Oklahoma!* Airbrushed backdrops and rustic scenery provided the appropriate background for the play. Independently, the club entered one of the most original floats in the Homecoming parade.

Achievement

The Letterman's Club, sponsored by Coach Del Holmes, was an organization consisting of persons worthy of letters from Fort Walton Beach High School. Each earned the right to wear the letter "F" through determination, hard work, and dedication. The persons in the club received their letters through outstanding work in the cheerleading squads or the great variety of team sports here at Fort Walton Beach High School.

Students Assist Lunch Program

The Youth Advisory Council to the School Lunch Program was first organized in early 1975 and had 25 members. The administrative advisers were Mr. Prine and Mrs. Ogle. Mrs. Beuerlein and Coach Crenshaw were the faculty advisers, with Mrs. Carolyn King, the county advisor.

The committee's main objectives were to better the school lunch program at FWBHS, to make students more aware of the program,

and to communicate between students and lunch room staff. The group sponsored several activities such as "Spirit Day" for the Choctaw game and made suggestions to the lunchroom staff. Many members of the YAC went to Palm Beach, Florida, in April and led a meeting of students interested in school lunch programs throughout the state. Julie Barfield, chairman, attended the American School Food Service National Convention in Chicago, Illinois, last July.

DECA and CECF Prepare for Business Future

Distributive Educational Clubs of America provided opportunities for students to progress in the art of business. The students were able to train themselves in different occupations of their choice through on-the-job training at different Fort Walton Beach businesses. Students earned credits that count toward graduation by working a certain number of hours each day.

On January 15, these students went to a district and state meet. Different categories were entered in these meets. Among these were: Deca Girl of the Year, Deca Boy of the Year, Math, Free Enterprise System, Public Speaking, Advertisement, Display, and Job Interview.

Cooperative Education Clubs of Florida is a statewide club which is

affiliated with the DCT program. Members were persons working at on-the-job training such as secretaries and dental or nursing assistants in order to prepare them for the vocational field they planned to enter. The organization was designed to provide leadership training as well as to provide social activities for the students.

Dallas / A Dream Come True

Known throughout northwest Florida as the original "Pride of the Miracle Strip," this year's Viking Band marched on to capture many unprecedented honors. In addition to providing fabulous halftime entertainment at all regular season games, they traveled to Gainesville to support the Vikings in the first annual Florida Bowl. The group also competed in both the Gulf Coast Marching Band Festival in Gulfport, Miss., and the FBA Contest in Niceville; they received superior ratings at both. In December, the band went to the New Orleans Superdome where they had the pleasure of appearing at the pregame and halftime shows for the New Orleans Saints—Chicago Bears game. The highlight of the year, however, was the long-awaited trip to Dallas, Texas, where the Marching Vikings were one of twelve high school bands selected to participate in the Cotton Bowl Parade. It was, indeed, a dream come true.

Colorguard Boasts New Look

Under the command of Captain Sahron Edwards, this year's flags, rifles, and honor guard were brought together to form a Colorguard. Their new uniforms encouraged them to spend even more time perfecting difficult routines, and during football season they presented a panorama of fine entertainment, not only at halftime shows, but also at marching con-

tests. The rifles, captained by Penny Grimmer, did an impressive rifle exchange while the flags, who were captained by Tami Eaves, were a spectacle in themselves. The Honor Guard, captained by Betty Singletary, was once more featured in the mid-show flag prix to the patriotic sounds of "Battle Hymn." They were a sight to behold.

Viking Pride

Dazzling the crowds with the twirling of knives, capes, hoops, and even fire, this year's majorettes magnificently upheld long standing Viking traditions. Composed of senior and captain, Kim Bracken and sophomores Terri Cresse, Laurie Lindsey, Cathy Molitaris, Evelyn Morgan, and Gina Wooten, the group performed phenomenal routines with incredible ease. In fact, the audience was little surprised when the corps won superior ratings in both contests they attended.

A Touch of Sparkle

The added touch of new Bicentennial uniforms made the All-American Dolls sparkle more than ever this year. Captained by Marcia Medlin and co-captained by Mary Wenzel, the dolls received many compliments and whistles of approval as they once again entered the field to the ever-popular strains of "Hello Dolly." Their routines, choreographed by Pippa Corley and performed to such contemporary hits as "Pick Up the Pieces" and "Love Will Keep Us Together," were ac-

cented by the addition of colorful scarves and canes. This year's dolls performed not only during marching season, but also during concert season as each doll was required to play an instrument.

Stageband Professional

Although lacking a Louis Armstrong and a Red Nichols, this year's stage bands left audiences everywhere with shows long to be remembered. Besides appearing at both the Eglin and Hurlburt Clubs and various other social events, Stage Band 1, directed by Mr. Ernest Hebson, entertained at the Sports Hall of Fame Banquet held in Dallas, Texas. Stage Band 2, under the direction of Mr. William Creekmore, presented a

display of musical artistry at the Mr. Striking Viking Contest and also during their "Viking Day" performance in Fort Walton Square. Both bands attended the Florida State University Jazz Clinic where they were critiqued by world famous jazz musicians. They also participated in both district and state contests, and for their finale, performed in the annual spring concert.

A Taste of the Classics

A little work, a little play, and a lot of practice combined to form an outstanding orchestra this year. Under the direction of Mr. William Creekmore, the group more than once found themselves "burning the midnight oil" in preparation for their part in the production of the musical, *Oklahoma*. Their work was rewarded, however, by the warm applause received at both the Evening with the Arts, sponsored by the Junior Women's League, and at their own spring concert.

Intense concentration is essential when playing the cello.

Bobby Brown and Andy Whitaker "fiddle" around with a tune.

Hartley Kinsey demonstrates his musical ability.

Band Hosts State Contest

After putting away sousaphones, busbies, and all other marching equipment, there began, for many, the best part of the year: concert season. Each member of marching band was required to audition for a place in one of this year's three concert bands, and after the selections, the work began. Preparation was hard-drive because of the time lost by their performance in Dallas, but the band looked forward to May when they would host the state contest for the first time ever. They participated in both the district and state contests and, as usual, received top ratings. In spring they presented a concert featuring each

band performing their contest numbers. They ended the year with a select group of students performing the traditional "Pomp and Circumstance" march at graduation.

Symphonic band spends much time working to perfect contest numbers.

Jackie Schwaiger, Marcia Meaut, and Kathy Coleman make beautiful music together.

Doug Stanton displays the ability fine instruction and hours of practice have brought him.

“Oklahoma”

Performances at the Rotary Club, the Eglin Officers' Club, and the Senior Citizens' Club launched this year's Choral Department activities, but the highlight, they found, was the production of *Oklahoma*. Under the direction of Mr. Don Hicks, students spent many hours at rehearsals, both during and after school, and in January, they successfully captivated the audience with a delightful rendition of the Rogers and Hammerstein musical. It was the first major production of its kind in this area and offered many students a taste of culture. All Choral groups competed in district contest, and in the spring the Voices of Valhalla presented a stirring Bicentennial salute.

Colophon — 1976 Valhalla

The production of a yearbook requires the help of many people. The 1975-76 *Valhalla* Staff owes thanks to each person for his creativity and help in making this year the best year ever. Special thanks are extended to the following for their assistance in the production of the 1976 *Valhalla* and for their understanding in times of need: Holiday Inn at Navarre and the Sand Piper Cove for allowing us to take pictures using their scenery as background; to Steve Neshem and Lorri Studios for the senior portraits and underclass pictures — a special thanks to Richard, who rode around all day taking color photos; to all the teachers who let students out of class; to Mr. Ernest Hebson and Mr. William Creekmore for their understanding and compromising; to the custodians who cleaned up after we had been working on weekends; to Mr. Kenig and Aden Sowell of Keys Printing for being there when needed; to Mr. C. F. Reynolds and the administration, especially Mrs. Joyce McCollough for helping with money matters; to the families of staff members for understanding and appreciating the work which goes into producing an annual; and to the generous people who helped out when deadlines were close — Laurie Johnson, Mike Sambogna, Jay Farland, Ryan Fisher, and Agnes Frazier.

Well, we made it — a shock to many, but without the help from the wonderful 1976 staff it all couldn't have been possible. I'd like to thank the staff, Mrs. Christopher, and Mr. Dodd for putting up with me, for I know there were times when I seemed outrageous, and I know I'm not an easy person to work under. A special thanks is extended to my fantastic photographers for all their help, for running all over town taking pictures and for spending hours upon hours in the darkroom. I'd like to thank my mother and father for just being there when I needed someone to talk to and for understanding all my problems and helping me find a solution. But still without help from Mr. Dodd and Mrs. Christopher, who are not only advisers but also friends, we wouldn't have made it. Although I'm sure the 1976 *Valhalla* yearbook will not please everyone completely, I hope the book on a whole will please its readers for it was put together with a lot of love and pride. As I look at this year at FWBHS, I truly realize that there is no other place I would have rather been, and I'm grateful that I had the chance to capture our surroundings and produce the 1976 *Valhalla*. It was a challenge I am happy I undertook. Once again thank you, Mrs. Christopher, for being the kind of person you are and for helping everyone so much.

Sahron Edwards, Editor

Scott!
Well, this
year's finally
over! I've really
enjoyed it but I can't
wait for next year! We'll
be fantastic seniors!
Good luck always! We'll
deserve the best! I wish you many
completed passes and many touchdowns!
seriously, you are a great
guy and I'm glad we're friends!
That includes
girls, too!
Love ya
Angie Barnes
